It has been a very busy, very exciting last several weeks here in Brazil (and everywhere else!) The month of May I had the opportunity and privilege to participate in the Amazon4Christ missions trip to the countries of Peru and Colombia. I want to thank you all for praying for our group! I believe it was one of the best trips I have personally participated in! The Lord surely blessed. Our evangelism team saw **39 souls saved** and our medical team treated 679 patients overall. It is always a blessing to be a part of these trips, I love having the opportunity to serve wherever I am needed. My main role on this trip was as a translator and photographer. I translated mostly for our medical professionals but also some for the evangelism team.

The last day of the trip, we had a deaf man come through the clinic. As in most cases I have seen in the jungle, he did not know any formal sign language, however, he was very communicative and social. I struggled to communicate much to him, but he was great at making himself understood. Meeting him reminded me of the great need out in these rural parts for deaf workers and deaf evangelism. Please join me in praying for more laborers in this needy mission field.

I left the Amazon and flew back to the states to spend a little bit of time with my parents before flying home in the beginning of June.

We are looking forward to a very busy next few months here in Ribeirão Preto. I am hosting our teen girls for an activity on July 12. We will also have an anniversary conference for our church August 1-3. Our pastors will be travelling over the next several months, please be in prayer for our church leadership as they step into new roles.

Also in August, I will be participating in another Amazon4Christ trip. This will be our first trip to the country of Suriname. Please join me in prayer that the Lord would bless and guide us on this trip.

Please be in prayer for these events as well as for our church family that we would grow spiritually.

If you would like to go on one of the Amazon trips in the coming year please feel free to contact me for more information! We are always needing more help and new team members! We would love to have you! Thank you so much for your prayers and sacrificial giving! My ministry would not be possible without you!

- Beca

Several have asked for my field address! I can receive cards and letters to this address but not packages please.
