Utility Work

If you wondered why there are black plastic boxes filled with rocks and new marking flags down John Conner Road-- the answer-- AT&T is running new fiber lines to the Players Ridge area.

According to Assistant Cornelius Town Manager Tyler Beardsley, AT&T acquired the necessary permits for the work, however, your PPOA (Peninsula Property Owners Association) wasn't notified until after work had begun.

Because of weather issues, we don't know an end date for the project.
