Life Saving Rings

The Lake Norman Marine Commission (LNMC) is resuming our Dock Lifesaving Ring giveaway this year!

Anyone with a dock on Lake Norman can apply to receive a US Coast Guard approved lifesaving ring. The LNMC will deliver the ring to you, or you can pick it up at one of the monthly Commission meetings.

Help make your dock safer for everyone by installing a life ring and tell your neighbors. Although the rings are free, we appreciate any donation – and your donation will go to buy more rings to make other docks on our beautiful lake safer.

To get your dock safety life preserver, just download the form, fill it out, and send it in. Here is the link to the application form:

The Marine Commission hopes you have a safe summer and Love Where You Lake!
