Reminder for Tonight!

An important public hearing is set for tonight, January 19th from 5:00-7:00 p.m. in room 204 of Town Hall, for your input on how the Town regulates growth.

The Growth Management Task Force will deliver its recommendations which include decreasing densities for future developments and limiting building heights to 2 stories along West Catawba Avenue.

Mayor Woody Washam urges all citizens to turn out and provide personal input. If you cannot attend, you can share your thoughts by email.
