**Why attend?** Attending Parent School Community Council Meetings (PSCC) is a great way to support your student and school! The purpose of the Pittsburgh Science & Technology Academy PSCC is to provide ongoing communication between the school and parents, guardians and community groups regarding issues that are important to the success of our students.

**When are they?** In order to be inclusive of our families, the PSCC Meetings will **alternate between the 2<sup>nd</sup> Thursday of the month in an evening and the 2<sup>nd</sup> Thursday of the month in a morning**. The dates for the 2021-2022 school year are below.

**What are they about?** SciTech staff and administration will assist in delivering the content. At the end of each meeting there will be district Parent Advisory Council information shared and Q&A with administration. We are surveying families about possible topics for the year at this link: <https://bit.ly/PSCCandPBIS> please take this survey ASAP. Please make note of the scheduled dates and we will communicate the topics for the year soon!
