

MONTHLY

PSCC MEETINGS

Why attend? Attending Parent School Community Council Meetings (PSCC) is a great way to support your student and school! The purpose of the Pittsburgh Science & Technology Academy PSCC is to provide ongoing communication between the school and parents, guardians and community groups regarding issues that are important to the success of our students.

When are they? PSCC Meetings are held monthly. The dates and times for the 2022-2023 school year are below.

What are they about? SciTech staff and administration will assist in delivering the content. At the end of each meeting there will be district Parent Advisory Council information shared and Q&A with administration. We will be sharing the topics soon but please mark your calendar with the dates!
