***Non-Denominational
Christian Church***

***We preach the Full Gospel

Opening Doors
Opening Minds
Opening Hearts

We support building, growing, protecting and nurturing **YOUR** relationship and alignment with the will of our Father God and Lord and Savior Jesus Christ, while also developing a deeper understanding of the Word of God, the Holy Bible.

Who should attend church?

Anyone and Everyone!

God loves us. He comforts us. He blesses us. He forgives us. He protects us. He heals us. He restores and redeems. He gives us grace, power, favor and free will. **Anyone and everyone** can be saved and have eternal life by believing in the resurrection of Jesus Christ.

He LIVES. He SAVES. He IS.

We believe that everyone has a special purpose and calling.

We have many ministry opportunities, groups and classes to get involved in and connect even deeper with the plan God has for you as a member of the Hilltop Family.
