Who we are

An organizational network of nonprofits, businesses, donors, and consumers

What we do

Fund High Priority Human Services, Partnership Building, Volunteer Coordination, Advocacy

Needs we support

Mental Health, Crisis, Substance Abuse, Health Care, Veterans, Housing, Employment, Disabled Services, Senior/Elderly Services, Early Childhood Services, Basic Needs (Food, Clothing, Hygiene)

ALICE

ALICE represents hard-working families in our region who are above the Federal Poverty Level (FPL) but do not earn enough to afford basic needs. Combined with those below the FPL this represents over 67,000 people or 41% in our region that we actively support in partnership with nonprofit organizations and government entities.

8/1/24 - 2/14/25

Our Campaign Message:

During these challenging times, the needs in our region have become increasingly more urgent and significantly more crucial. Luckily, the Adirondack Region is home to the most kind, generous, and empathetic people on the planet.

United Way of the Adirondack Region, Inc. prides itself on being fully transparent, highly efficient, and responsive to the needs of communities in our region. We welcome questions, comments, and concerns regarding the integrity of our organization.

Please consider supporting the work of our network by making a pledge or donation through payroll deduction, direct bill, check, PayPal, Venmo or credit card. We offer many options including workplace giving, corporate gifts and individual donations from businesses and people throughout the region.

We welcome the opportunity to serve the needs of you, your business, your employees, your family, friends, and neighbors. Please call upon us anytime, as we are here to serve. Thank you for your consideration, support, and generosity now and in the future.
