INDEPENDENT AUDITORS' REPORT

To the Board of Directors United Way of the Adirondack Region, Inc.

Opinion

We have audited the accompanying financial statements of United Way of the Adirondack Region, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of the Adirondack Region, Inc. as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Way of the Adirondack Region, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of the Adirondack Region, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts
 and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of United Way of the Adirondack Region, Inc.'s
 internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of the Adirondack Region, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedules of General Allocation to Agencies and SEFA Allocation to Member Agencies on pages 19 through 22 are presented for the purpose of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Summarized Comparative Information

We have previously audited United Way of the Adirondack Region, Inc.'s 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 24, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Notes to Financial Statements

December 31, 2021 and 2020

(1) Summary of Significant Accounting Policies:

Nature of Activities – United Way of the Adirondack Region, Inc. (the Organization) is a non-profit human services organization established to collectively campaign for funds to distribute to participating non-profit member agencies and to coordinate a variety of programs, initiatives and events. The Organization is one of 1,300 independent and autonomous chapters of the United Ways' Worldwide. The Organization conducts it activities in Clinton, Essex and Franklin counties of New York. The Organization is run by a voluntary board of directors who serve on the board for an unlimited number of two-year terms.

The Organization assesses communities' health and human services needs, operates and/or coordinates numerous programs, raises money through its annual campaign, and distributes funds to meet those needs through an allocations process. Funds are solicited from businesses, employees of those businesses and individuals within the Organization's area of operations during the annual campaign, which runs each year from August through February of the following year. The Allocations Committee, comprised of 12 volunteers, reviews applications, visits agencies, and makes recommendations to the board of directors for the distribution of unrestricted contributions to local organizations.

<u>Basis of Accounting</u> - The financial statements of United Way of the Adirondack Region, Inc. have been prepared on the accrual basis of accounting.

Revenue Recognition - The standard outlines a single comprehensive model for entities to use in accounting for revenues arising from contracts with customers. Central to the revenue recognition framework is a five-step revenue recognition model that requires reporting entities to:

- 1. Identify the contract,
- 2. Identify the performance obligations of the contract,
- 3. Determine the transaction price of the contract,
- 4. Allocate the transaction price to the performance obligations, and
- 5. Recognize revenue.

Notes to Financial Statements, Continued

(1) Summary of Significant Accounting Policies, Continued:

Revenue Recognition, Continued:

The Organization's revenue is recognized at a point in time based on the transfer of control of the goods and/or services to the customer in an amount that reflects the consideration the Organization expects to be entitled to in exchange for those goods and/or services. In addition, the majority of the Organization's contracts do not contain variable consideration and contract modifications are generally minimal. The majority of the Organization's revenue arrangements generally consist of a single performance obligation to transfer promised goods or services.

<u>Distribution to Agencies</u> – Unconditional promises to give cash to member agencies are recognized as positive designations payable and later recorded as allocation to member agencies at the time the Board of Directors authorizes payment.

<u>Cash and Cash Equivalents</u> - For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Cash that is restricted based on donor designations at the time pledges are received are not available for operating purposes.

Concentrations of Credit Risk - Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of temporary cash investments. The Organization maintains its cash balances in various financial institutions. All accounts at each institution are insured up to \$250,000 by the Federal Deposit Insurance Corporation. At December 31, 2021 and 2020, the Organization had no uninsured deposits.

The Organization maintains an account with a stock brokerage firm. The account contains cash and securities. Balances are insured up to \$500,000 (with a limit of \$100,000 for cash) by the Securities Investor Protection Corporation.

<u>Promises to Give</u> - Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases with donor restrictions or without donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets are reclassified to without donor restricted net assets.

Notes to Financial Statements, Continued

(1) Summary of Significant Accounting Policies, Continued:

<u>Net Asset Classifications</u> – Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions: Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions: Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

<u>Advertising</u> – Advertising costs are charged to operations when incurred. Advertising costs for the years ending December 31, 2021 and 2020 were \$922 and \$1,175, respectively.

<u>Property, Plant and Equipment</u> – Property, plant and equipment are stated at cost and depreciated or amortized for financial reporting on the straight-line method over the estimated useful lives of the assets. Estimated useful lives are as follows:

Building 40 Years Equipment 5 - 10 Years

Maintenance, repairs and minor betterments are charged to operations as incurred while major additions and improvements are capitalized. When assets are sold, retired or otherwise disposed of, the applicable costs and accumulated depreciation or amortization are removed from the books and any resulting gain or loss is recognized.

<u>Income Taxes</u> - The Organization is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and, therefore, has made no provision for Federal income taxes in the accompanying financial statements.

Management has determined that the Organization does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements and related disclosures.

Notes to Financial Statements, Continued

(1) Summary of Significant Accounting Policies, Continued:

<u>Use of Estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

<u>Functional Allocation of Expenses</u> - All expenses that are directly identifiable are charged to the Organization's program services, management and general services, or fundraising services. Payroll and benefits are allocated to program, management and general services and fundraising services based on the time studies, as well as rolls and responsibilities of various staff members. Other costs have been allocated among programs and supported services benefited.

<u>Investment Valuation</u> - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 to these financial statements for a discussion of fair value measurements.

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized. Net investment return (loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized gains and losses, less external and direct internal investment expenses.

<u>In-Kind Contributions</u> - A substantial number of volunteers have contributed significant amounts of time to the Organization's fund-raising campaigns and program services. These services do not meet the criteria for recognition under generally accepted accounting principles; accordingly, the value of volunteer time has not been reflected.

Risks and Uncertainties - The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Organization's account balances and the amounts reported in the statement of financial position.

Notes to Financial Statements, Continued

(1) Summary of Significant Accounting Policies, Continued:

<u>Reclassification</u> - Certain accounts in prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

(2) Available Resources and Liquidity:

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while striving to maximize its available funds. For purposes of analyzing resources available to meet general expenditures over the 12-month period, the Organization considers all expenditures related to its ongoing community service programs as well as the services undertaken to support this activity to be general expenditures. In addition to financial assets available to meet general expenditures over the next 12 months, the Organization's spending policy for its board-designated endowment allows for appropriating the earnings from each year to be available for general operations.

At December 31, 2021, the following tables show the total financial assets held by the Organization and the amount of those financial assets can be made available within one year of the statement of financial position date to meet general expenditures.

Financial assets at year-end:

Cash and cash equivalents	\$ 426,720
Investments	782,081
Grants receivable	11,084
Pledges receivable, net	<u>284,719</u>
Total financial assets at year-end	\$ 1,504,604

Financial assets available to meet general expenditures over the next 12 months:

Cash and cash equivalents	\$ 426,720
Grants receivable	11,084
Pledges receivable, net	<u>284,719</u>
Total financial assets at year-end	\$ 722,523

Notes to Financial Statements, Continued

(3) Pledges Receivable:

Promises to give are recorded net of an allowance for expected uncollectable amounts. This allowance is established based upon management's estimates.

Pledges receivable at December 31, 2021 and 2020 are as follows:

	2021	2020
Receivable in less than one year Less: allowance for uncollectable pledges	\$ 318,719 (34,000)	\$ 304,071 (33,750)
Net pledges receivable	\$ 284,719	\$ 270,321

Provision for uncollectable pledges is recorded as the uncollectable portion of the prior year's pledges. The provision for uncollectable pledges for December 31, 2021 and 2020 was \$47,160 and \$23,596, respectively.

(4) Investment Securities:

Investments consist of certificates of deposits, money market, exchange traded and mutual funds reported at fair value as follows:

	<u>2021</u>			
			Unrealized	
		-	Appreciation	Fair Value
Certificates of deposit		\$	-	\$ 28,872
Money market funds			1,300	40,853
Exchange traded funds			18,900	507,530
Mutual funds			<u> 15,896</u>	204,826
		\$	<u>36,096</u>	\$ <u>782,081</u>
	<u>2020</u>			
			Unrealized	
		_	Appreciation	<u>Fair Value</u>
Certificates of deposit		\$	764	\$ 70,764
Money market funds			-	92,884
Exchange traded funds			15,508	124,264
Mutual funds			116,008	384,865
		\$	132,280	\$ 672,777

Notes to Financial Statements, Continued

(4) Investment Securities, Continued:

Realized gains and losses are determined on the basis of the specific cost of the securities. As of December 31, 2021 and 2020, sales proceeds and gross realized gains and losses on securities were:

	2021	_	2020
Sale proceeds	\$ <u>777,982</u>	\$ _	70,000
Realized losses Realized gains	\$ - <u>198,921</u>	\$ _	<u>-</u>
Net realized gain on sale of securities	\$ <u>198,921</u>	\$_	

Net investment return at December 31, 2021 and 2020 consists of the following:

	_	2021	_	2020
Dividends and interest	\$	11,569	\$	9,980
Capital gain distributions		-		13,222
Change in unrealized appreciation		(96,184)		36,010
Realized gain on sale of securities		198,921		-
Withdrawals		(2,000)		-
Investment expenses	_	(2,902)	-	
Net investment return	\$ _	109,404	\$ _	59,212

(5) Fair Value Measurements:

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

<u>Level 1</u> - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Institute has the ability to access.

Notes to Financial Statements, Continued

(5) Fair Value Measurements, Continued:

<u>Level 2</u> - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in inactive markets, or inputs other than quoted prices that is observable for the asset or liability. These inputs are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

<u>Level 3</u> - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

As of December 31, 2021 and 2020, all of the Organization's investments consist of Level 1 fair value measurements.

Following is a description of the valuation methodologies used for assets at fair value:

The fair values of marketable securities, including cash equivalents, U.S. government and corporate bond funds and equity funds, are based on quoted market prices.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value.

(6) Land, Buildings, and Equipment:

As of December 31, 2021 and 2020, land, buildings, and equipment consisted of the following:

<u> </u>		2021	_	2020
Land	\$	70,632	\$	70,632
Buildings		153,942		153,942
Furniture and equipment	_	91,737	_	91,737
		316,311		316,311
Less accumulated depreciation	_	179,493	_	169,210
Total land, buildings, and equipment, net	\$ _	<u> 136,818</u>	\$ _	147,101

Notes to Financial Statements, Continued

(7) Net Assets with Donor Restrictions:

The Organization's net assets with donor restrictions at December 31, 2021 and 2020 totaled \$132,620 and \$127,675, respectively and represents donations with restriction as to time.

(8) Board Designated Endowment:

The Board of Directors has established a general endowment fund to provide for the long-term financial stability of the Organization. The endowment was funded by a donation that was restricted as to the length of time the funds had to be held. This restriction has expired and the Board designated the endowment funds continue to be held in a designated fund. Because the endowment is now an internally designated fund and is no longer donor restricted, it is classified and reported as net assets without donor restrictions.

The Organization has a spending policy of appropriating the earnings on the fund for each year to be available for general operations. In addition, distributions of \$10,000 or less are available for special uses, such as capital purchases and improvements, with a vote of two-thirds of a quorum of the Board of Directors. Amounts greater than \$10,000 may be withdrawn for these purposes with approval of the two-thirds of the full Board of Directors.

Composition of and changes in the general endowment funds for the years ended December 31, 2021 and 2020 consisted of:

	-	2021	2020
Board-designated endowment funds,			
beginning of year	\$	672,777	\$ 617,965
Interest and dividend income		11,569	9,980
Capital gain distribution		-	13,222
Net appreciation		102,737	36,010
Distributions and expenses	_	(5,002)	(4,400)
Board-designated endowment funds,			
end of year	\$	782,081	\$ 672,777

(9) Operating Leases:

During 2017, the Organization entered into a non-cancellable operating lease for equipment which expired in April 2022 but was extended to August 2022. In August 2022, the Organization entered into a short term, month-to-month lease for \$180 per month.

Total rent expense for this lease for the years ended December 31, 2021 and 2020 was \$1,517 and \$1,831, respectively. The future minimum rental payment under the lease for the following one year is \$1,988.

Notes to Financial Statements, Continued

(10) Employee Benefits:

The Organization sponsors a 403(b) defined contribution pension plan covering all eligible employees that meet service time requirements. Contributions by the Organization are based on 10% of annual compensation paid to eligible employees. Health insurance coverage is also provided with the Organization paying 80% of the cost of single coverage or 60% of the cost of family coverage. Employee benefits for the years ended December 31, 2021 and 2020 were as follows:

	_	2021	_	2020
Retirement	\$	16,073	\$	16,798
Health Insurance	_	16,9 <u>98</u>	_	22,812
Total	\$_	33,071	\$ _	39,610

(11) Special Events:

Special events during the years ended December 31, 2021 and 2020 consisted of:

	_	2021	2020
Golf Tournament:			
Revenue	\$	11,876	\$ 500
Other direct expenses	_	(4,659)	(225)
Net revenue	\$ ₌	7,217	\$ <u>275</u>
Annual Campaign Kick-off events:			
Revenue	\$	-	\$ 6,534
Cost of direct benefits to donors	_		(5,790)
Net revenue	\$ _		\$ 744

(12) Contingency:

Coronavirus Pandemic – Prior to year-end 2020, a worldwide outbreak of a novel strain of the coronavirus (COVID-19) has resulted in Federal, state and local governments declaring a state of emergency and mandating travel and public gathering restrictions, closure of school, business and other organizations, stay at home orders and advisories, and quarantining of those with expected exposure to the virus. The COVID-19 outbreak has had a major impact on general economic conditions worldwide and it is anticipated that the impact will continue for some time. The extent to which the COVID-19 outbreak will impact the Organization's future operations is uncertain at this time.

Notes to Financial Statements, Continued

(13) Payroll Protection Program Forgiveness:

In response to the COVID-19 outbreak, the U.S. Federal Government enacted the Coronavirus Aid, Relief, and Economic Security (CARES) Act that, among other economic stimulus measures, established the Paycheck Protection Program (PPP) to provide small business loans. In April 2020, the Organization received a PPP loan for \$48,385. In August 2021, the U.S. Federal Government forgave the loan in full. As such, the funds received are included in other revenues in 2020.

(14) Subsequent Events:

The date to which events occurring after December 31, 2021, the date of the most recent statement of financial position, have been evaluated for possible adjustment to the financial statements or disclosure is November 29, 2022, which is the date on which the financial statements were available to be issued. Management feels that no further disclosures to these financial statements are necessary.
