Shannon Bowdey, Region 31
Taxation and Government Finance

1. ACTION ITEM

That C.A.R., in conjunction with NAR, "SUPPORT" existing law that allows the utilization of all self-directed retirement vehicles, including, but not limited to, those that invest in real property.

Federal Committee: **Approved**

2. ACTION ITEM

That C.A.R., in conjunction with NAR, "OPPOSE" tax law enforcement policies that would require banks and other financial institutions to provide information to the Internal Revenue Service about inflows or outflows, balances, transactions, transfers, or similar information regarding any accounts maintained by such institution except to the extent that such reporting is already required under the current law.

Federal Committee: **Approved**
