Navigate To Processing Status

Click on *Record Info* and then select *Processing Status* from the drop-down list

The screenshot displays a web application interface with a navigation bar at the top containing links for Home, Permits, Licenses, Fire, Enforcement, Planning, and Public Works. Below the navigation bar is a utility bar with icons and text for 'Create an Application', 'Search Applications', and 'Schedule an Inspection'. The main content area shows the title 'Permits BLD-18-14240:' followed by 'Plans Required - COMMERCIAL NEW BUILDING'. Below this, the 'Record Status' is 'Pending Required Documents'. A horizontal menu contains 'Record Info', 'Payments', 'Conditions' (with a red circle containing the number 1), and 'Custom Component'. A dropdown menu is open under 'Record Info', listing 'Permits Details', 'Processing Status', 'Related Permits', 'Attachments', and 'Inspections'. A red arrow points from the text above to the 'Record Info' menu item, and another red arrow points to the 'Processing Status' option in the dropdown. Below the menu, a light blue box contains the text 'Added to this record on 11/01/2018. Severity: Notice' and a 'View Condition' button. The bottom of the page features a solid blue bar.

Checking The Processing Status

If there is an hour glass next to it, then it is active. You can expand each one by clicking the drop-down arrow to see the status of each one.

Processing Status

Attention: A status shown as "In Review" indicates only that the plans have been placed in the bin of the person doing the review, but doesn't indicate they are actively reviewing the plan set.
