Navigating To The Permit

Click on the *Permits* tab.

Find the permit in the *Permits* list below.
Click on the blue link of the permit number you would like to view.

A screenshot of the 'Permits' list page. The page shows a table of permits with columns for Date, Permit Number, Permit Type, Address, Status, Description, Action, and Short Notes. A red arrow points to the permit with number BLD-18-02555.

Plans that have been placed on hold should be corrected and uploaded as a full set using the method described [Here](#). Please use the resubmit button under the actions triangle when corrections to plans have been made and you are ready for another review.

Resubmitted plans after being placed on hold should be named with REVISED at the end of the address.

1819FARNAMST_REVISIED

REQUIRED DOCUMENTS AND FORMS DOWNLOAD

During the Permit Application Process those parties not uploading plans or documents using the instructions located in the section(s) above risk having your application rejected and having to resubmit corrected documents.

All documents for each individual permit have to be submitted as one PDF containing all required sections.

The maximum file size allowed is 195 MB.
htm;htm;mht;mhtml are disallowed file types to upload.
