19+ Age-Friendly Communities

Activities

Coordinate monthly programming

Connect leaders on mutually relevant topics

Develop and maintain communications

Meet with new and longstanding communities

Conduct research and evaluation

Short-term outcomes

Local leaders learn about relevant topics

Local leaders know who to connect with and where to find information

Local leaders feel energized in their age-friendly efforts

Local leaders feel connected to a larger movement

Longer-term outcomes

Create. A community of practice among age-friendly leaders

Sustain. Local leaders connect with and mentor each other beyond the scope of AFNJ activities

Coordinate. Programs and advocacy efforts at the regional and/or statewide level are more coordinated

Engage. Older adults feel more valued and connected in the community

Change. Social, built, and service environments in NJ are more age-friendly
