Parking & Entrance

Onsite parking is available with several handicap parking spaces and a circle drive for front door service. The church is 100% Handicap accessible. There is an additional upper gravel parking lot available for extra parking if needed.

Church Event Coordinator

The event coordinator is provided by the church as our gift to you! The church event coordinator will be able to address all questions on your wedding day regarding the wedding or the church facilities. They will be at your rehearsal and will open the church three hours before your wedding and close the church one hour following the ceremony and/or reception.

Extras

Accompanist

Our own church accompanist is available to play for your wedding. She can play on our baby grand piano and/or on our pipe organ. If she is not available for your ceremony, we have other accompanists that we can suggest. Guest musicians may also be used, but please communicate details with the church event coordinator.

Custodial Service

The optional custodial service includes the take down & storage of the tables and chairs, trash removal, dust mopping floors, and cleaning of the restrooms. It does not include disposing of decorations.

Pastor

Our pastor has performed many weddings and would love to officiate at yours. The pastor will want to meet with the couple prior to the rehearsal. If you wish to have another pastor (or justice, etc.) perform the ceremony, prior approval by our church's pastor will be required.

Sound Tech

We have members who are trained to use our sound equipment. If you would like to use recorded music instead of our accompanist, a sound tech will be present at the rehearsal and the ceremony to make sure that your selected music goes off without a hitch.

Your wedding is one of the most significant and joyous occasions of your life and we want to be as helpful to you as possible in the understanding and preparation of this important sacred event.
