

The Cemetery Board Needs Your Support

Not long ago, our cemetery was a serene and beautiful final resting place for loved ones, family, fellow congregation members, and friends from our community. That peaceful setting has now changed with the recent development of five new apartment buildings (with more planned). This will naturally bring increased foot traffic to the area.

To help discourage casual wandering and clearly define the cemetery grounds, the Board plans to install a fence that will complement the existing one along the front and Pottery Road.

This effort was inspired by a very generous gift specifically intended to help fund such a fence. After careful planning, we estimate the total cost at \$85,000. The donation covers roughly half of that amount, leaving us with a goal of raising an additional \$40,000 to complete the project.

We are looking for your financial support. It could be a one-time gift or a pledge spread over 15 months. (Everything helps)

Checks or pledges may be sent through the office. Please mark your gift – Cemetery Fence fund
