

COMMERCIAL KITCHEN OPTIONS 2021

COVENANT PRESBYTERIAN CHURCH

Rental Options: These options apply to artisans joining the Covenant Presbyterian Church Kitchen after December 1, 2018 and are in effect until further written notice to the artisan (email is sufficient notice).

OPTION #1—YEARLY MEMBERSHIP – “Commissary” arrangement

This option requires a yearly fee of \$500 plus a refundable security/damage deposit of \$250. The renter then pays \$40.00 per hour with a **4 hour minimum (\$160 per use minimum)**. It is strongly recommended that artisans using a “yearly membership” option utilize the kitchen a minimum of twice in a 12 month time period. Each use would require the artisan to leave a check. It is not necessary to formally schedule that time, however it is always a good idea to check with the kitchen manager ahead of time (707) 456-7475 or Calvingroeneweg@gmail.com, as occasionally there is a church event using the kitchen.

Should an event, such as a memorial, come up during a previously requested artisan time, the artisan will be contacted as far in advance as possible and alternative arrangements will be made. CPC will make every effort to honor all known uses of the kitchen.

Unused or partial hours do not carry over. No refunds will be given for unused or partial hours. Time starts when you enter the kitchen and stops when you leave the kitchen clean. All time is chargeable, including prep time and clean up.

Furnished equipment is commercial grade and NSF approved. Equipment consists of one 15 foot butcher block worktable, 8 foot metal counter space, use of the 6 burner gas stove (one convection oven, one conventional oven) with a total of 5 baking racks, refrigerator and storage space is not included in this option. If you choose the commissary plan, at the present time there is no locked storage cabinet space or refrigerator storage space available.

CPC does not supply soap, towels, sponges, etc. CPC does supply chemicals for the commercial dishwasher. Leave the kitchen cleaner than you found it. A tour of the facility is required prior to signing a contract. Checklist of CPC requirements and a contract will be presented at that time.
