After Lunch Learning

Mondays; Noon-1:30pm

Students Must be 4 by September 30, 2026

Monthly Signup with Optional Programs Registration

$11 per Monday

After Lunch Learning is an interactive and hands on program

that will give students the opportunity to participate in

more in depth academic activities in specific content areas.

Each week, the activities will focus on one of three subject areas;

language arts, math, or science.

The program is designed to be fun and engaging for students

while at the same time providing them with

a little extra preparation for Kindergarten.
