- Local schools will be closed on April 8th.
- Be aware that internet and cell phones may be slow or completely unusable. Consider an AM radio to still receive details from public safety.
- **SEE SOMETHING, SAY SOMETHING.** Report any suspicious activity, persons, or unattended packages or baggage to authorities.
- WiFi may not work or will be slow. Consider using cash versus card.
- Observe the eclipse away from busy roads.
- Keep an eye on the weather. Public storm shelters are referenced above.
- See [www.maintstreetozark.com](http://www.maintstreetozark.com) for additional information and resources.
- Driving around town may be difficult. Traffic patterns will change leading up to and after the eclipse. Consider additional time when planning your commute.
- When traveling home, ensure you bring snacks and drinks in case of traffic delays.
- Utilize iDrive Arkansas ([idrivearkansas.com](http://idrivearkansas.com)) for up-to-the-minute to check traffic conditions.

## SAFETY TIPS & ADDITIONAL CONSIDERATIONS

- Eye safety is very important! Please follow all NASA viewing guidelines for eye safety <https://science.nasa.gov/eclipses/safety/>.
- It is never safe to look directly at the sun, even if the sun is partly obscured.
- When watching an eclipse, you must always wear safe solar viewing glasses (eclipse glasses). Only wear **ISO-12312-2** approved eclipse glasses when looking at the sun.
- Make sure everyone in your family has access to approved eclipse glasses. The Ozark Area Chamber of Commerce in partnership with the Ozark Advertising & Promotion Commission will be providing free glasses for this event.
- Have small children practice wearing the Eclipse glasses BEFORE the day of the event.
- Avoid bringing pets outside or to viewing locations, their eye safety is important too.
- Wear sunscreen.
