A Message from Fr. Mario

Saludos/Greetings in the name of Christ!

On Sunday September 19th at Episcopal Holy Eucharist, I spoke about St. Augustine, Florida, the oldest permanent European settlement in the United States. So I figured I could use this opportunity to say a little more about the early history of this American city.

A Spanish soldier named Pedro Menéndez de Avilés was sent to Florida to expel French Protestant colonists who (in the year 1564) had established an outpost at Fort Caroline, near present-day Jacksonville. But by the time Menéndez arrived in August 1565, he discovered that a force of French reinforcements had come before him, including a large French fleet. So Menendez retreated to a place that he had discovered the week before on August 28th; this was the feast of St. Augustine of Hippo. In this small new colony, the Spanish waited for the French to attack with the sense that they would be crushed when at that exact moment, a large storm blows the French fleet to the south and sinks them. So in the next couple of days, Menendez and his men went to Fort Caroline, which now had very few soldiers inside, and conquered it easily.

We choose love over division, unity over separation and Christ above all things.

There is a lot of work to be done for the kingdom of Christ, but few people willing to do the work (Matthew 9:37). Don't be afraid to simply start serving; there is a place for you. As you serve, trust that God will equip you, guide you, and give you joy for the work. Find delight in doing the things He has planned for you (Ephesians 2:10; Colossians 3:17, 23).

One Worship Service; Two Liturgies
BEGINS AT 10:30 a.m.
Attend in person
or watch on Facebook Live

We were established 43 years ago to be a symbol of ecumenism honoring both the Roman Catholic and Episcopal traditions. We have One Worship Service with Two Liturgies. Our worship is designed for you to experience both traditions. As a sign of our commitment to Christian unity, we ask everyone to remain for both liturgies.

Altar Flower Donations

Fresh flowers add immensely to our worship service. Celebrate a special birthday, wedding anniversary, or dedicate flowers in honor or memory of a loved one.

To donate flowers, complete a flower form or call the office and donate \$45.

**Whoever you are and wherever you are in your spiritual and personal life,
we welcome you to the Ecumenical Community of Holy Apostles.**

A Message from Fr. Mario continued

During my research for this entry, I found the following according to the *Memoir of the Happy Result and Prosperous Voyage of the Fleet Commanded by the Illustrious Capt.-General Pedro Menéndez de Avilés*. When Menendez returned to St. Augustine, he was received by the chaplain of the expedition in the following manner: "On Monday, the September 24th, 1565, at the vesper hour, our captain-general arrived [at Fort San Agustín] with fifty foot-soldiers. He was very tired, as well as those who accompanied him. As soon as I learned that he was coming, I ran to my room, put on a new cassock, the best I possessed, and a surplice; and, taking a crucifix in my hand, I went a certain distance to receive him before he arrived in port; and he, like a gentleman and a Christian, knelt, as well as all those who came with him, and returned a thousand thanks for the great favors he had received from God. My companions and I walked ahead in a procession, singing the *Te Deum laudamus* [Catholic hymn] so that our meeting was one of the greatest joy." In another account (from the French perspective), the author says "it becomes us to accuse ourselves and our own sins for blame in the matter, and not the Spaniards, whom the Lord made use of as rods for scourging us according to our deserts. But to God omnipotent alone, and to his Son Jesus Christ our Lord and to the Holy Spirit, be honor and glory forever! Amen."

When I first started writing this letter, I did it in the context of talking about Hispanic Heritage Month. I now find myself connecting with the joys and sadness of these men from another era. The forces on both sides appealed to God and asked for his guidance and mercy. I wonder what was in the minds and hearts of the soldiers' family members and loved ones as they waited for news back in Spain and France. This year, as the celebration of Hispanic Heritage Month occurs in a time of great pain for Hispanic and latino/x communities disproportionately ravaged by the impacts of the COVID-19 pandemic, let us remember that we are all members of the body of Christ. I ask you to pray for guidance as we remember the words of St. Paul: "the eye cannot say to the hand, 'I have no need of you', nor again the head to the feet, 'I have no need of you.'" Let us pray to God and ask how we can act in solidarity with "those members of the body that we think less honorable we clothe with greater honour may have the same care for one another. If one member suffers, all suffer together with it; if one member is honored, all rejoice together with it."

Gracias/Thank you,

Padre Mario

Ecumenism

Daily Word from Jean Koch

'Should the domestic church be divided for the reception of the bread and wine of life that brings into existence and nourishes all churches, large and small? Should the church find inspiration in the divine saying, "what God has joined, let no one put asunder" (Mt. 19:6), and find ways and means to keep the couple together at the celebration of the eucharist?'
