

UPGRADE YOUR PLAY

SEYMOUR PARK

Seymour Park is located on Shrub Road, next to the Pigeon Hill Preserve and Barnes Nature Center. Seymour Park was acquired through the estate of George Dudley Seymour in 1971.

The current playground at Seymour Park is an exact replica of the park equipment at Wilson Field and stands heavily underutilized. Updates will include the removal of old equipment and replacement of a new playground and benches. The site will be ASTM and ADA compliant.

OPTION 1
