### ST. NINIAN PARISH AGM MEETING

The Parish Annual Meeting was held on June 15, 2024. The 2023 financial report was presented. It was reported that the expenses in 2023 exceeded donations resulting in a loss of \$16,766.00.

We are still working to recover expenses incurred as a result of the 2023 flood. Our next concern is the pending repair to the interior ceiling of the main church. More information will be forthcoming. Copies of the financial report can be collected at the parish office.  
Thank You for your ongoing financial support of our Cathedral.

### FUTUREWORXS GRADUTES

Congratulations to the graduates of the Connex Program!  
We wish the best in your future endeavours!

## *Message from Father Danny:*

By calming the storm Jesus shows power over creation and today's gospel can be summed up in one line: Jesus is present in the storm. From the literal storm on the sea to the storms in our lives, Jesus never leaves us to face our challenges alone.

Thankfully we are finally experiencing the warmth of summer. How I remember the damp of the winter and spring, the snow, the shoveling and trying to stay warm. Keep hydrated and enjoy the warmth in God's creation.

My days away in Ottawa were enjoyable. Of course, my flight was delayed, by 2 ½ hours, yet Mike Cahill was very patient and was there to pick me up when the flight finally arrived.

The heat warnings in Antigonish were also issued in Ottawa, although maybe there was a bit more hot air! lol. When in Ottawa you always see a politician and on my last morning crossing the street I had a quick chat with Roger Cuzner, there is always someone from home wherever you go.

This Sunday, after the masses, I will be darting off to Immaculate Conception Church in West Lake Ainslie as the last Mass will be celebrated in the church. I was pastor at "The Lake" for five years. These are the sad changes that are happening through the church.

The students are on their final days, and we wish them well these next days. It was never pleasant in the classroom when the days of summer are calling us to be out!

Have a great week, stay hydrated.

*God Bless,  
Father Danny*
