SAINT NINIAN CATHEDRAL TOURS

Ernst Scheugraf will be offering tours of the Cathedral on

This is a great opportunity to learn more about the history
of this important building as we celebrate the 150th of the
Saint Ninian Cathedral.

Message from Father Danny:

In Sunday's gospel Jesus himself returns to his hometown of Nazareth to a faithless people eager to test his authority. The message God calls Jesus to preach is radical and maybe his own people could not handle what was being preached by one they know. Yet, Jesus persisted and continued to preach and heal, teach, and bless. The world is forever changed because of this.

With the Opening Mass of the Highland Games, we welcome people back home. It is a time to celebrate our hometown and our Highland heritage. Unlike the people of Nazareth, we welcome all home, and we too are challenged to accept changes that take place. This week is a time for all, who call Antigonish and the Cathedral home, to celebrate with open arms and a peaceful embrace.

For the last week the floors in the Cathedral were properly stripped and waxed and look bright and clean, you can eat off them (please don't). However, I was informed by the workers that nothing more can be stripped off the floor and new flooring will need to be installed within the next ten years. Thank you for understanding the restrictions that were in place and coming together for mass in SNP.

This this coming Monday, I will be leaving my kilt behind, as I will be boarding a plane to France. In the Bordeaux region I will preside at the wedding of a STFX graduate, Ethan, and his bride Mathilde. Ethan was actively involved in Chaplaincy during my years at X. I will be returning on the 21st and look forward to hearing about the successes at the Games and comments on our float in the parade upon my return.
Have a wonderful Highland Games, Au Revoir

*God Bless,
Father Danny*

MARK YOUR CALENDARS

- Carlo Acutis (3 May 1991 - 12 October 2006) was an Italian website designer who documented Eucharistic miracles and approved Marian apparitions, and catalogued both on a website he designed before his death from leukaemia. Acutis was noted for his cheerfulness, computer skills, and devotion to the Eucharist, which became a core theme of his life. He was beatified by Pope Francis and on May 23, 2024, Pope Francis recognized a second miracle attributed to Acutis's intercession, clearing the way for the first canonization of a millennial in the Catholic Church. On October 15, a relic of Blessed Carlo Acutis will be brought to St. Ninian Cathedral and Our Lady of Fatima in Sydney River.
(More details will follow as the date draws closer.)
