PASTORS' PICKS

As school wraps up many often look for ways to keep children and grandchildren busy on those summer days when the weather is rainy or too hot to be outside. For those who love animals check out Awesome Animals and Mini Me, a new series on Formed. Discover more about you and the nature of God through His animal Kingdom. This 15-episode series focuses on a variety of animals from the barnyard to the African Savannah to forest creatures and those in Antarctica. Each 10-minute episode has a different animal, crafts, activities, and songs to keep everyone's attention and valuable faith lesson. Looking for a family movie, Formed has a collection of videos with movies, saint stories, and documentaries. Check out The War of the Vendée.

This inspiring and unique new film from Navis Pictures, producers of St. Bernadette of Lourdes, tells the moving story of France's little known religious civil war in the years following the French Revolution. Featuring an exuberant and gifted cast of over 250 young Catholics (playing all the roles), it is a powerful story of sacrifice and martyrdom. It is told with a careful sense of reserve and is an outstanding movie for the whole family.

Formed is a streaming service that helps dive into the beauty of the Faith at home, on the go, or from any internet-connected device.

Message from Fr. Danny

Peter and Paul are paired together by the church, their mission united the whole world under one faith, one Spirit, and one baptism. Despite our differences of opinion, we are united, as the church, just as Peter and Paul were.

The month of June certainly has been a month of Feast Days in the Church. There were many positive comments on last Sunday's celebration with the Blessed Sacrament carried throughout the Cathedral. It makes us really stop and think about our reverence, wonder and awe of the Blessed Sacrament. What a week of the finest weather we've had! I know some may find it a little warm, but when it gets too hot, just remember the snow and sleet that await only a few months away.

This week included a trip to Bras d'Or to preside at a funeral for my father's first cousin, Barry Jessome, their mothers were sisters. Barry was one of thirteen siblings, all now deceased, truly the end of an era. St. Joseph's Parish, Bras d'Or was my first parish, so I had the opportunity to know my relatives in that area.

Preparations, by the Foundation, are well underway for the upcoming, dinner, Fixing God's House One Plate at a Time and the concert Airs for Above, during Highland Games Week. It's a major effort, and we're grateful to everyone involved.

I'm also very grateful to Fr. Elliot for volunteering to take weekday Masses and helping out on weekends whenever he is available. And to all the priests who support me in the Cathedral Parish.

Happy Canada Day, so much to appreciate about our country!

*God Bless,
Father Danny*
