A message from Fr. Danny...

This week's series of parables tell us something about how we are to receive the kingdom of God. Finding it and participating in it is like finding treasure; it brings true joy.

The weather continues to be a challenge and very extreme. We know the seriousness of flooding and water damage within our own community and SNP. Even though it causes disruption it does not compare to the loss of life experienced in East Hants. Learning of these deaths we begin to realize what we lost is just material!

The grounds of St. Ninian Cathedral are kept beautiful and well manicured. Thank you to Stephen Connolly for volunteering his time keeping the front lawn looking professional.

For the last year the pine trees in front of the Cathedral have been on agendas of several committees. With the assistance of an arborist, it has been determined that these trees, like all trees, have reached their peak. With weather conditions so extreme, we unfortunately need to slowly remove these trees and perhaps do some nice landscaping and replanting.

On Saturday evening I will be attending the 150th anniversary mass in of St. Joseph Church, Glencoe. Glencoe was a mission of St. John the Baptist, Brook Village where I spent five years. On Sunday, I will be where all roads lead, to the 67th Broad Cove Concert!

It is hard to believe that August is just around the corner.

Have a great week. See you in Broad Cove!
God Bless, Fr. Danny

A message from Deacon Henry

As I continue on my road to recovery, Minnie and I wish to thank all our friends at St. Ninian Parish for their support and prayers. My doctor tells me that sometimes improvements are slow but they did put me on a new medication this week which we hope will help. Your continued prayers are much appreciated!

Deacon Henry
