*A message from
Fr. Danny...*

One of the essentials of the Christian life is to take time for prayer and silence. We all lead busy, hectic lives and finding moments of silence, especially in the summer months with visitors, activities and distractions of life, is challenging.

However, it is necessary.

The liturgies on Sunday and weekdays hopefully provide the peace, reflection and silence needed. As July begins, we have a host of activities throughout the town. This Sunday, we are honored to host the opening of the 158th Highland Games and a week of activity and fun that brings family and community together.

It does not seem very long ago that listening to CJFX (now 989XFM) and voices Gus MacKinnon and Ray Mac, brought great excitement as they announced the events of the Highland Games. All I could think of is what I was missing and now here I am, part of this great tradition in Antigonish.

July 1st, Canada Day, as we celebrate this great country, I celebrate my ordination to priesthood. I was ordained in Stella Maris Church, Inverness on July 1, 1990, and my first Mass on July 2 in my home parish of Saint Margaret, Broad Cove. Many of my appointments brought me to Antigonish County and I thank you for your prayer and support in my vocation.

On Monday at 5pm we are celebrating our Cemetery Mass and remembering our ancestors who have gone before us. For over two years, a very faithful and hard working Pioneer Cemetery Committee met every second Wednesday to clean, rebuild and enhance the Pioneer Cemetery.

The majority of the work was done voluntarily by members of this committee. Let us show our gratitude to them on July 4 at 4pm on the site of the Pioneer Cemetery for a service and gathering afterward.

HAPPY CANADA DAY and enjoy the Highland Games.
