Message from Father Danny:

The Feast of the Body and Blood of Christ celebrates the gifts of the bread and wine, Jesus' very own body and blood. This serves as a fuel so that we might go out and live into our God-given callings with energy and spirit.

There has been great energy and spirit around the parish this week as we prepared for the Ordination of David Rankin. It has been 9 years since our last priestly ordination in the diocese.

Let us continue to pray for

Fr. David and for other men to respond to the call to priesthood. The CWL have been very active in giving their time to make this a real diocesan celebration.

The tea was as good as they would get in Mabou! lol It's heartwarming to see the dedication and hard work that everyone has put into maintaining and beautifying the church and grounds.

Madeline and Claire have done a fantastic job polishing, mopping and shining the interior.

Many thanks to Gail who helped Shirley and Joe, organize the sacristy, and prepare for the ordination. The well-groomed grounds are a testament to the efforts of Jack, Valerie and Laura Lee, and the professional touch of Little Viking Landscaping.

The continued care of the front garden, in memory of Willie, ensures that his legacy and contributions to the flower beds will be cherished and remembered. Thank you to all for your commitment and effort in making the church a welcoming and beautiful place for everyone.

Thank God for the great weather.

*God Bless,
Father Danny*
