Message from Fr. Danny

In today's Gospel God calls us to bring Jesus's words and healing into the world. It may not mean in such a radical way as the seventy-two, for God calls us to minister within the context of relationship. We are encouraged to detach from world things and place our trust in God alone.

Canada Day celebrations in SNP proved a great success. It was said to be one of the largest of crowds, thankfully the day was so beautiful to allow people to enjoy the outdoors. It was brought to my attention, from a visitor to town, that all the town flower colours this year and red and white, well done!

On July 1, I celebrated the anniversary of my ordination, thirty -five years. Thanks for the prayers, best wishes and gifts, all truly appreciated and unexpected. So much water has flowed under the bridge in that time, without any regrets. I remember when first ordained wondering why the 'old guys' celebrating twenty-five years, were still active! Now I know why! lol

We would like to welcome L'Arche Summer Camp to St. Ninian Place. The camp will be for the summer and we are looking forward to their presence and the sidewalk chalk art instalments. Highland Games week kicks off with the Opening Service at St. James, and then next Sunday we host the Closing Ceremony. I'm looking forward to the Foundation Dinner followed by the Ships of 1801 both on Saturday evening, Airs from Above, on Monday and the skirl of the pipes all week!

Have a wonderful week!

*God Bless,
Father Danny*
