All are Welcome!

Message from Father Danny:

Today's gospel can be difficult to digest for people who prayed for healing for themselves or for a loved one and did not experience a cure like Simon's mother-in-law. We learn that God's ways are deeply mysterious, and wishes do not come true exactly as we imagined. However, Jesus remains close to us in our times of need, listens to the longing of our hearts and promises healing will come in time.

Lent is less than two weeks away and it is a spiritual time given to get to know God's healing ways in our own personal relationship.

On Wednesdays during Lent, I will lead in the Stations of the Cross at 6:15pm followed by Mass at 6:30pm. This new time for Wednesday Mass be only for Lent and will allow more parishioners to take part. It is wonderful that our daily Mass has approximately fifty at every Mass.

Hopefully you notice a change in the sound system. Work is presently being done with what we have, and more improvements are on the way. Thanks for your patience and financial support.

When I can I like to support STFX sports and during a women's hockey game last weekend I won the 50/50 or, as we say in CB, the even split, \$107.00. The women also won the game!

On Monday, if the weather is good, I hope to get away for a few days returning the end of the week. It all depends on how far my winnings will take me!

Congratulations to twenty-nine men and women from our parish and surrounding parishes who will be confirmed this Sunday.

Please remember them in your prayers.

God Bless,
Father Danny
