Fathers and men who are guardians of children,

with God's love surround your children,
they your life of joy to share.

HIGH SCHOOL STUDENTS AND GRADUATES

St. Joseph of Cupertino is the Patron Saint of taking tests and of students.

Dear Lord, As I am about to take this test, I pray for your guidance. I have prepared as best as I can. I know you are at my side with your guidance and wisdom. With a graceful heart, I feel your grace. Amen.

A message from Fr. Danny...

Welcome to Ordinary Time, once again the green vestments have returned after seasons of purple for Lent and white for Easter and Feast Days. The season 'Ordinary Time' comes from a Latin word 'ordinalis', which means numbered, signifying the numbered or ordered list of Sundays. This, 11th Sunday, we read of the calling of the disciples and the invitation for us all to, 'proclaim the good news'.

In proclaiming the good news, we welcome our summer visitors to town. At our Sunday masses we may notice new faces who make mention of our wonderful music, the lovely Cathedral and full church with the presence of families and young people. Thank you for this, you are all wonderful disciples spreading the good news by our presence.

Please remember Deacon Henry in your prayers as he continues to deal with health issues.

After two days in Port Hawkesbury at the General Assembly of Priests, Emery and I met with Sattler's Stained Glass. Sattlers did work on our historic windows in 2006. Two new panes, with the bishop's coat of arms, one for Archbishop Dunn and Bishop Kirkpatrick will be created and installed.

If you get an opportunity have a look at the bright and multi-coloured stained-glass window by the altar you will notice bulging and the need of repair. This is something up for discussion.

The time continues to move so quickly. On the radio and in our bulletin, you notice the announcements for the Highland Games and many other summer activities. Although we need to plan, we should always be aware of making the most of each day and counting our blessings.

This Sunday we honour all fathers and acknowledge their sacrifice and love for us. I think of my own father, Hugh, who lived a good life and passed away at home in September, 2014 at the age of 90.

We build on their faith and goodness.

I'd like to congratulate our parishioners who have graduated from Nova Scotia Community College, well done and best of luck in finding employment. Please remember in your prayers our high school students who are writing exams.

God Bless, Fr. Danny
