Message from Father Danny:

A note to wish each parishioner a very happy and blessed Easter. A special note of welcome to any visitor who is with us this Easter.

May the celebration of the Easter Liturgy deepen our faith that Jesus is truly risen, and having conquered death, invites us to share in his risen life.

May the Easter Liturgy help us understand and appreciate more deeply the Paschal Mystery - the times of dying and rising to new life in Christ.

It is Good News that every Good Friday in our lives can be changed into an Easter Sunday. No pain, no sorrow, not even death itself, will defeat us: all is made new in the risen Christ.

I pray that you receive the blessings of his peace, a peace the world cannot give.

Thanks to all the parishioners who have contributed generously to the Liturgies throughout Holy Week, up to and including the Mass on Easter Sunday! This includes hospitality, lectors, altar servers, sacristans, extraordinary ministers, counters, collectors, decorators and all who came forward to offer and give assistance and helped in the preparations for the Easter liturgies.

A special word of thanks to the musicians and singers for your hours of preparation and the sharing of your gifts and talents.

Another special word of acknowledgement to the 150th Anniversary Committee and KOC who gave wonderful service with the Mass of Chrism. Many thanks to the CWL, kitchen staff and servers who made the Mass of Chrism dinner and luncheon not only very tasty but so very pleasant for all who attended. Again, a very happy and blessed Easter to each of you, and to your families.

God Bless,
Father Danny
