*A message from
Fr. Danny...*

The Gospel over the next few weeks uses parables to illustrate how the Word of God is sown in our hearts; all it needs is to find good soil to bear fruit.

Last week, I attended a good number of events at the Highland Games. As I went from parade to dinners, to concerts and the grounds, I was amazed at the number of volunteers that give of their time. As participants we enjoy all that had been prepared and it is not until you chat with volunteers that you realize the number of meetings, the early mornings and late nights that have to happen for us all to enjoy, so well done!

You will notice that the bulletin has several announcements regarding the 150th anniversary of St. Ninian Parish cathedral. There have already been a few meetings to get the activities under way, so we look to your support in the coming months and year of celebration. Please keep the dates of September 16 /September 17 free so we can joyfully celebrate as a family.

Each Sunday I notice a good number of visitors to our parish. Having the doors open, a hospitality team and joyful music makes them feel welcome and allows them to leave with joyful hearts in praise of the Lord.

Although the summer days are to be filled with joy, please remember in prayer those who are ill, grieving or in need of love.

May we on the journey find the good soil and bloom where we are planted!

God Bless, Fr. Danny
