Message from Father Danny:

Jesus in the Gospel stands in the synagogue and reads from the Prophet Isaiah. When finishing, Jesus says, "today, this reading is fulfilled in your hearing", The people have a personal encounter with The Word. Each Sunday as we gather, we encounter Jesus as He speaks to us and our own situation in life. We know that God's word strengthens, uplifts, challenges, consoles, and inspires hope.

After the joy and busyness of Christmas, things have settled back to normal in the parish. Many have shared positive comments about the beautiful new rug now anchoring the altar, adding warmth and a sense of reverence to our worship space.

On the lower level of SNP, a window has been installed in the large classroom, creating a more open and welcoming feel, this is also a recommendation for child protection. In compliance with the Fire Marshal's regulations, the former office glass door, has now been installed in the smaller classroom. This makes the room much brighter and allows our renters access from the west side of SNP. For those entering SNP from the upper level will notice a new sign has been installed for SNP. The previous sign came down during Fiona and damaged beyond repair. Thank you to a family from the parish who donated the sign.

On Wednesday we had the first gathering for the Order of Christian Initiation. It is very humbling and hopeful when we see people discerning their decision to come into the church. On Thursday evening a small but faithful group gathered at the University Chapel to celebrate Christian Unity.

I'm looking forward to the gathering after Mass this Sunday in the vestry. These types of gatherings are essential for fostering growth in our parish and building stronger connections as get to know one another better, not to mention a few goodies to go with my coffee!

God Bless - Fr. Danny
