TIGH DHE CONCERT

A thank you to all who participated in, and attended our most recent concert TIGH DHE. It was a spectacular evening of Celtic and liturgical music. A special thanks goes out to the St Ninian Foundation, who collaborated with Emery and the Choir in bringing this concert to life. We are happy to be able to continue showcasing the amazing talent in our community. Our concert series always creates such beautiful energy, and we look forward to our next concert!

THANK YOU - ST NINIAN CHOIR

This is the Choir's last Mass before breaking for the summer. Emery would like to thank all the members of the choir for an exceptional season. With multiple concerts outside of our regular Mass schedule, the Choir was able to showcase their beautiful voices and pieces throughout the whole community of Antigonish. Emery is grateful for the dedication and hard work, and would also like to extend a thank you to all the psalmists for being willing and able to enhance the liturgy at St Ninian's. Looking forward to welcoming the Choir back in September!

THE PIECES OF BETHANY PROJECT

Do you possess an item from Bethany Motherhouse that holds special significance? Would you be interested in sharing its story? The deconstruction of Bethany

Motherhouse scattered various objects across our community and beyond, each carrying its own unique tale.

Many of these items gained fresh value, meaning, and importance in their new locations. In preparation for the 125th Anniversary of the Congregation of St. Martha, we encourage individuals to share their Bethany stories linked to the objects they acquired. For further details, please email charism@themarthas.com

MARK YOUR CALENDARS

Carlo Acutis (3 May 1991 - 12 October 2006) was an Italian website designer who documented Eucharistic miracles and approved Marian apparitions, and catalogued both on a website he designed before his death from leukaemia. Acutis was noted for his cheerfulness, computer skills, and devotion to the Eucharist, which became a core theme of his life. He was beatified by Pope Francis and on May 23, 2024, Pope Francis recognized a second miracle attributed to Acutis's intercession, clearing the way for the first canonization of a millennial in the Catholic Church. On October 15, a relic of Blessed Carlo Acutis will be brought to St. Ninian Cathedral and Our Lady of Fatima in Sydney River.
(More details will follow as the date draws closer.)
