LENTEN PRAYER

As we enter another week of our Lenten journey, guide
us to the path that leads to you. Fill our hearts with
gratitude, patience, strength, and peace as we strive to
become the best version of ourselves, honestly
admitting our shortcomings and our sins.

Message from Father Danny:

Today's gospel of the transfiguration should call to mind our own encounters with God. We are likely to hear God's voice in a whisper rather than with the clarity the disciples heard on the mountain.

But God's voice, whether a whisper or a thunder, always speaks of love. God looks on us, and God loves us, and God is well pleased with us.

We can hear and see God's loved in many of the kind and good deeds of neighbours and friends.

These past weeks, neighbours went out of their way to help shovel a driveway, clean off the front steps or even climb out a window and shovel snow off a garage roof (this scenery took place at the rectory).

Thanks Joseph!!

You may notice that mats and flooring are much cleaner, thanks to a parishioner. Laura Lee, for seeing this need and giving time for this much needed cleaning.

There are so many who give so freely to our parish in their time and expertise. This is where we experience God, the work of our God in the generosity and kindness in others for the building of the kingdom.

Much planning is gone into Soups of the World. The storm date is now next Sunday March 3, 2024 and we hope you will take part. A student at St. FX, Alessandro from Italy, is volunteering to make Tiramisu, an extremely delicious dessert. He has already tempted me in trying several.

There went my Lenten fast from dessert!

The 150th Committee is doing a lot of preparation for Saturday March 9th. Drinking with the Saints. This will truly be an enjoyable event with an education component in learning about some of the saints, who will be present to tell their story!

The next day we can enjoy a great ceilidh/dance. There presently work being done on the sound system. Please let me know if you are noticing a difference.

Have a great week, God Bless, Fr. Danny

God Bless,
Father Danny

BREAKING OPEN THE WORD

Thursdays 9:30am Rm 17 SNP:

Join us for small group reflection on the up-coming Sunday Gospel each week. After an opening prayer we slowly read the Gospel aloud three times listening for a word or phrase which speaks to our hearts. We may offer that aloud without explanation. After the third time, we share how the Holy Spirit brings us new insight, meaning, joy, challenge, or encouragement in our faith life this week. People are respectful of what each other shares. Where two or more are gathered in His name, Jesus promises to be with us. So, it is a time of sacred sharing, and life in faith as a community. Most often it is a time of gentle awe and wonder, chuckles and tears, and a chance to enjoy tea/ coffee with a humble morsel together.
