Message from Father Danny:

At the beginning of Jesus' public ministry, we get a hint of which kind of authority Jesus will exert. He will set boundaries and announce challenging moral issues, but he is able to do so because his authority is based on love for all.

It is this love that calls us all into service to one another. I see this everyday with so many volunteers giving up evenings, days, family time and their own business for the sake of the church. I thank all who give of themselves out of love for the parish.

This week, our Pastoral Council and Building Committee met to discuss the pine trees that line the path to our cathedral. As these trees have reached maturity, it has become necessary for us to develop a thoughtful plan for their future. Regrettably, some trees may need to be removed, a decision not taken lightly. Our focus is on the long-term health and safety of our parish grounds. We understand the sentimental value these trees hold, and we assure you that any decision made will be with great consideration and continued consultation with experts.

The pancake breakfast and ceilidh/square dance, both held last Sunday, were both successful events.

Thanks to the KOC for providing another great breakfast and to all who supported the dance. The large crowd drew people of all ages and we profited \$931.00. Thank you again to all who helped and made wonderful donations of food. The Liturgy Committee also had a meeting, and our focus was on the Lenten Season which begins with Ash Wednesday, February 14.

I made a trip to Deepdale on Tuesday afternoon to check my parents' home. How wonderful it was to be able to drive to the front lane rather than park on the side and make my way through snow banks.
Have a great week,

God Bless,
Father Danny
