Aurora, Oregon

Fall 2023 - Spring 2024 Product Catalog

To Our Valued Customers,

Since our last publication, it is fair to say a lot has changed.

For two years and more, we have been focused on providing you with top-notch product to meet skyrocketing demand, all while modifying our operation to provide a safe work environment for our employees. We feel truly grateful to have been able to remain open and provide jobs for our wonderful staff. It is thanks to their hard work and commitment that we were able to do so seamlessly.

With so many economic tailwinds it occurred to us to ask whether we were steering our ship or merely riding a good tide.

We made major changes to our front office. We hired industry veteran Greg Anderson to serve as our new General Manager. Greg's impact was immediate and profound: from irrigation to plant health, nutrition, and sanitation, Greg oversaw a complete overhaul of our container operation. In the field, Greg implemented two new methods of mechanical harvesting that have allowed us to utilize our labor more efficiently and introduce our hybrid, containerized boxwood program, which you can read about in the pages that follow.

That we have so many long-term customers is a blessing, and not one we take for granted. To this end, we made sure to keep up with planting and propagation, even as plants were leaving the nursery in record numbers. We hired another seasoned horticulturalist, Don Merrick, to oversee our Propagation department. With his knowledge and attention to detail, Don has taken his department from merely adequate to what we feel is one of the best facilities around. Our fields are all planted, and there is more stock on the way - even a few introductions to entice you. Our goal is to serve your needs reliably, year-after-year.

Our customer service has been greatly improved by the addition of Rebecca Tiller in the role of Sales Manager. Since her time at Countryside nearly twenty years ago, Rebecca has learned the industry through working in the landscape trade, earning a degree in Landscape Horticulture, and serving significant tenures with many of the finest growers in the Willamette Valley. She has the knowledge and experience to provide the personal level of real service you have come to expect from us.

For those of you who have been with us for a while, we thank you for your continued support as we sail on into the future. Please stop by and see us, we think you will be impressed by many changes. If you are discovering us for the first time, please visit our website or contact us by phone or email. If you happen to be in Oregon, we would be thrilled to have the opportunity to show you around. Our customers' success is our top priority—and it always will be.

THE FARLEYS

A TRADITION OF QUALITY

For more than 35 years, our nurseries have supplied plant material to retail garden centers, wholesale growers, and landscape businesses throughout the United States and Canada.

Our management staff has horticultural educations, years of valuable experience, and takes great pride in producing some of the finest nursery stock available.

Fairdale and Countryside nurseries are located in Oregon's fertile Willamette Valley, growing on just over 200 acres in four prime locations. We specialize in Japanese maples, grafted conifers, boxwood, plus a large selection of other popular and unique specimen plants, B&B, and containers. Our wide array of plant material is selected to thrive in zones 3 to 9.

Product Price List 2023-2024 (A-Z)

Japanese Maple Varieties 10 gal

Acer Palmatum 'Fireglow' 5 gal

<i>Acer palmatum 'Bloodgood'</i>	<u>5 gal</u>	<u>10 gal</u>
Zone 6-9	55.65	103.95

Beautiful deep red foliage holds color well into late summer. Brilliant scarlet fall coloring.

<i>Acer palmatum 'Butterfly'</i>	<u>5 gal</u>	<u>10 gal</u>
Zone 6-9	55.65	103.95

Variegated bluish-green leaves with pink and white edges. Dainty and attractive small tree. Good choice for containers.

<i>Acer palmatum 'Emperor One'</i>	<u>5 gal</u>	<u>10 gal</u>
Zone 5-8	55.65	103.95

Purple-red leaves hold their color all summer. The bark is a blackish-red, nice for winter color.

<i>Acer palmatum 'Fireglow'</i>	<u>5 gal</u>	-	-	-
Zone 5-8	55.65			

Compact, dense trees reach 9' to 12' tall. Deep red foliage leaves do not fade, even in the highest heat.

<i>Acer palmatum 'Mikawa Yatsubusa'</i>	<u>10 gal</u>
Zone 5-9	103.95

Very small and compact Japanese maple cultivar, great for small landscapes.

Countryside Nursery Can Yard

Acer palmatum 'Sango Kaku'

5 gal

10 gal

Zone 6-8

55.65

103.95

Upright grower with bright green foliage. The bright red stems of the plant are very showy in the winter.

Acer palmatum dissectum 'Crimson Queen'

5 gal

10 gal

Zone 5-8

55.65

109.95

8' to 10' tall, mounding to 8' wide. Holds deep red color throughout entire season. Bright scarlet tones during the fall.

Acer palmatum dissectum 'Inaba shidare'

5 gal

Zone 5-8

55.65

Deep purple-red leaves and vigorous weeping habit. Plants will reach 7' to 10' tall and wide.

Acer palmatum 'Sango Kaku' 5 gal

Acer palmatum dissectum 'Orangeola'

5 gal

10 gal

Zone 5-8

55.65

109.95

The new spring foliage is a bright orange-red which turns to a deep green. Attractive full weeping habit.

Acer palmatum dissectum 'Red Dragon'

5 gal

Zone 5-8

55.65

Great deep purple-red foliage. Color holds well in sun or part shade. Nice compact weeping habit.

Acer palmatum diss. 'Orangeola' 10 gal

Acer palmatum dissectum 'Tamukeyama'

5 gal

10 gal

Zone 5-8

55.65

109.95

New foliage is a deep crimson-red turning to a dark purple-red. Strong, weeping habit, looks best in full sun.

Acer palmatum dissectum 'Viridis'

5 gal

10 gal

Zone 5-8

55.65

109.95

Bright green foliage holds its color well throughout the summer months. The fall coloring is a brilliant yellow and orange.

Berberis thunbergii var. atro 'Concorde'

3 gal

Zone 2-8

17.50

Matures to less than 2' tall and 3' wide. Leaves are a crisp, bright red when young and mature to a clean bronzy-red.

Berberis thunbergii var. atro 'Rose Glow'

3 gal

Zone 4

17.50

The new foliage is a bronzy-red and pinkish-white, deepening to a rose and bronze. Plants will reach 4' to 6' in height and width.

****We now offer our field-grown boxwood in a hybrid containerized package. Plants are dug and placed in a nursery pot with soil media, a starter fertilizer with minors, and a slow-release fertilizer incorporated for immediate ship. Plants are denoted below with a minimum height (or width) and the code "CT." We believe this package will be popular with landscapers and garden centers alike!****

Buxus hybrid 'Green Velvet' 24"

Buxus sempervirens 30" CT

<i>Buxus hybrid 'Green Gem'</i>	<u>1 gal</u>
Zone 4-9	5.95

It is a broadleaf evergreen shrub that typically grows in a dense globe to 3-4' tall and wide.

<i>BUXUS hybrid 'Green Mountain'</i>	<u>1 gal</u>	<u>5 gal</u>
Zone 4-9	5.95	23.50
<u>15" CT</u>	<u>18" CT</u>	<u>24" CT</u>
35.00	39.00	43.00

Pyramidal plants can reach 4' to 5' tall and spread 3' wide. Dense green foliage holds its color throughout the winter.

<i>Buxus hybrid 'Green Velvet'</i>	<u>1 gal</u>	<u>3 gal</u>
Zone 4-9	5.95	18.75
<u>15" CT</u>	<u>18" CT</u>	<u>24" CT</u>
35.00	39.00	43.00

Rich dark green foliage makes it ideal for low borders or hedges. Plants only reach 2' to 3' tall and wide.

<i>Buxus microphylla 'Winter Gem'</i>	<u>3 gal</u>	<u>5 gal</u>
Zone 4-9	18.75	23.50

Buxus hybrid 'Green Mountain' 5 gal

Deep green glossy foliage on a mounding shrub. Dense habit makes it great for hedges. Plants grow 4' to 6' tall and wide.

<i>Buxus sempervirens</i>	<u>1 gal</u>	<u>5 gal</u>	<u>18" CT</u>	<u>24" CT</u>	<u>30" CT</u>
Zone 6-9	5.95	23.50	39.00	43.00	47.00

The traditional hedge plant. Can reach heights of 10' to 15' and spread almost as wide. Dense foliage of oval olive green.

<i>Buxus sempervirens 'Dee Runk'</i>	<u>1 gal</u>	<u>5 gal</u>
Zone 5-8	5.95	23.50

Similar habit as 'Graham Blandy' with more vigorous growth and deeper green color. Part shade to full sun.

<i>Cedrus atlantica 'Glauca'</i>	<u>7 gal</u>	<u>10 gal</u>	<u>5/6'</u>	<u>6/7'</u>
Zone 6-9	59.00	79.00	91.00	101.00

Grows in a stately pyramidal form. Beautiful silvery-blue foliage. Mature plants reach 40' to 50' tall and spread 20' to 25' wide.

<i>Cedrus deodara</i> 'Sander's Blue'	<u>7 gal</u>	<u>6/7'</u>
Zone 5-7	59.00	103.95

Beautiful silver-blue form of Deodar Cedar. Feathery soft foliage.

<i>Cephalotaxus harringtonia</i> 'Duke Gardens'	<u>3 gal</u>	-
Zone 6-9	21.00	

Deer tolerant evergreen shrub. Part shade to full shade. Wide arching habit. 2' tall, 4' wide.

<i>Cephalotaxus harringtonia</i> 'Fastigiata'	<u>3 gal</u>	
Zone 6-9	21.00	

Columnar growing evergreen with dark green needles. Will tolerate sun or shade. Deer resistance.

<i>Chamaecyparis nootkatensis</i> 'Pendula'	<u>5/6'</u>	<u>6/7'</u>
Zone 5-9	82.95	92.95

Medium-sized, evergreen conifer forming a strongly weeping, pyramidal tree.

<i>Chamaecyparis obtusa</i> 'Aurea'	<u>10 gal</u>	<u>3/4'</u>
Zone 5-9	81.00	69.00

Slow upright growth habit can reach 20' to 25' tall and spread 5' to 6' wide. Bright golden foliage is very sun tolerant.

<i>Chamaecyparis obtusa</i> 'Fernspray Gold'	<u>10 gal</u>	-	-
Zone 5-9	81.00		

Bright yellow foliage has an airy, feathery-like appearance. Needs protection from afternoon sun. To 12' tall, 5' wide.

<i>Chamaecyparis obtusa</i> 'Gracilis'	<u>5 gal</u>	<u>10 gal</u>	<u>3/4'</u>	-
Zone 5-9	47.00	81.00	69.00	

Our most popular Hinoki Cypress variety. The foliage is a beautiful deep green. Dense, broad pyramidal habit.

<i>Chamaecyparis obtusa</i> 'Nana Gracilis'	<u>3 gal</u>	<u>5 gal</u>	<u>10 gal</u>
Zone 5-8	31.00	47.00	81.00

A slow growing upright, irregular form. Rich green color and dense habit.

<i>Chamaecyparis obtusa</i> 'Nana Gracilis' on Std.	<u>5 gal</u>
Zone 5-8	49.00
	<u>10 gal</u>
	89.00

Dwarf Hinoki Cypress selection grafted onto a tall trunk. Makes a great centerpiece or patio specimen.

<i>Chamaecyparis obtusa</i> 'Nana Lutea'	<u>3 gal</u>
Zone 5-9	31.00

A neat slow growing compact form with two-tone golden-yellow foliage. A beautiful conifer for winter effect. Reaches 4'.

<i>Chamaecyparis pisifera</i> 'Mops'	<u>3 gal</u>
Zone 5-9	18.50

***Chamaecyparis pisifera* 'Mops' 3 gal**

A great landscape show piece with whip-like, golden foliage. It retains it's golden color throughout the year.

<i>Cornus kousa</i> 'Galilean'	<u>10 gal</u>	-
Zone 5-8	103.95	

Robust grower with dark-green leaves that are larger than the species norm with white flowers.

<i>Cornus kousa</i> 'Radiant Rose'	<u>10 gal</u>	
Zone 5-8	103.95	

Spreading and arching habit, large pink floral bracts, some red color in leaves and branches; foliage in fall is bright red.

<i>Cornus kousa</i> 'Venus'	<u>10 gal</u>	
Zone 4-8	103.95	

Huge pure white bracts in April on a disease resistant tree. Mature trees have a rounded habit.

<i>Ilex crenata</i> 'Sky Pencil'	<u>3 gal</u>	-	-
Zone 5	17.95		

A narrow, columnar form with dark green leaves. Great for vertical privacy screening. Full sun. 6-8' tall x 2-3' wide.

<i>Juniperus chinensis</i> 'Daub's Frosted' on Std.	<u>10 gal</u>	-	-	-	-
Zone 4-8	89.00				

Brilliant gold new growth on a spreading evergreen shrub. Grafted on a 3' trunk for a more formal appearance. Full sun.

<i>Juniperus communis</i> 'Gold Cone'	<u>10 gal</u>	
Zone 4-8	69.00	

Upright, narrow, columnar, evergreen shrub forming a splendid exclamation point in the landscape.

<i>Juniperus squamata</i> 'Blue Star'	<u>1 gal</u>	<u>3 gal</u>
Zone 4-8	6.25	16.25

Unique silver-blue foliage, uniform branching. Great for rock gardens and low borders.

<i>Juniperus squamata</i> 'Blue Star' on Std.	<u>5 gal</u>	<u>15 gal</u>
Zone 4-8	49.00	99.00

Popular dwarf blue juniper grafted on 3' trunk for a formal appearance.

***Juniperus communis* 'Gold Cone' 10 gal**

<i>Microbiota decussata</i> on Std.	<u>5 gal</u>	<u>10 gal</u>
Zone 3-8	49.00	89.00

Hardy evergreen with deep plum winter color. Deer resistant. Grown on an 18" standard. Part sun to full sun.

<i>Osmanthus heterophyllus</i> 'Goshiki'	<u>3 gal</u>	
Zone 6	17.65	

Golden leaves splashed with green flecks on a compact growing evergreen shrub. Full sun to part shade.

***Osmanthus heterophyllus* 'Gulftide'**

3 gal

Zone 6

17.65

A compact, upright form of false holly with superior glossy green foliage and better habit. Medium grower to 10' tall and 5' wide.

***Picea abies* 'Nidiformis'**

1 gal

3 gal

Zone 2-8

5.95

15.95

A very dense growth pattern reaching 3' to 5' tall and spreading 4' to 6' wide. Rich green evergreen foliage.

***Picea abies* 'Pendula'**

5 gal

10 gal

4/5'

Zone 2-8

49.00

79.00

75.00

Unique pendulous growth habit and dark green foliage. Plants must be staked to desired height.

***Picea abies* 'Pumila Nigra'**

3 gal

Zone 2-8

15.95

Dwarf, flattened-globose selection of Norway spruce that with age, becomes broadly spreading.

Picea alcoquiana

10 gal

3/4'

4/5'

Zone 3-7

84.00

79.00

89.00

A narrow-pyramidal conifer with horizontal branching to the ground. Great silvery-blue color.

Miramonte Farm

<i>Picea pungens 'Baby Blue Eyes'</i>	<u>3 gal</u>	<u>5 gal</u>
Zone 2-8	33.00	43.00
	<u>10 gal</u>	<u>3/4'</u>
	84.00	79.00

This is a semi dwarf blue spruce with a nice pyramidal growth habit. Great silvery-blue color. Grows slowly to 18' tall.

<i>Picea pungens 'Fastigiata Glauca'</i>	<u>4/5'</u>
Zone 2-8	89.00

Very narrow, columnar form. Wonderful blue color. Great choice for narrow areas. To 20' tall and 3' wide.

<i>Picea pungens 'Fat Albert'</i>	<u>3 gal</u>	<u>5 gal</u>	
Zone 2-8	33.00	43.00	
	<u>10 gal</u>	<u>3/4'</u>	<u>4/5'</u>
	84.00	79.00	89.00

Rich blue needles. Dense branching. Broad pyramidal form, great for a living Christmas tree.

<i>Picea pungens 'Globosa Nana'</i>	<u>3 gal</u>	<u>5 gal</u>
Zone 2-8	35.00	45.00

Dwarf globe spruce with short, dense branching, and a silvery blue color.

<i>Picea pungens 'Globosa Nana' on Std.</i>	<u>5 gal</u>
Zone 2-8	49.00

Dwarf globe spruce grown on a 3' stem for a more formal appearance.

<i>Picea pungens 'Hoopsii'</i>	<u>3/4'</u>
Zone 2-8	79.00

Extremely intense silver-blue color is a customer favorite. Pyramidal grower to 30' tall.

<i>Picea pungens 'Ice Floe'</i>	<u>4/5'</u>	<u>5/6'</u>
Zone 2-8	75.00	85.00

Silver-blue evergreen foliage weeps gracefully downward while maintaining a central leader. Medium growth to 12' tall.

<i>Pieris japonica 'Cavatine'</i>	<u>7 gal</u>
Zone 6-8	34.00

An exquisite dwarf variety reaching just 2 feet tall in ten years. Green buds open to white bell-shaped flowers.

Picea pungens 'Baby Blue Eyes'

Picea pungens 'Ice Floe'

***Pieris japonica* 'Cavatine' 7 gal**

***Pieris japonica* 'Flaming Silver'**

7 gal

Zone 6-8 34.00

New growth is bright, neon pink aging to green with white margins. Bushy, upright habit.

***Pieris japonica* 'Little Heath'**

3 gal

Zone 6-8 24.00

A dwarf selection with green and white variegated foliage. New growth sports an attractive pink coloring.

***Pieris japonica* 'Mountain Fire'**

3 gal

Zone 6-8 24.00

Fiery red new growth matures to lustrous deep green foliage. Produces an abundance of white flowers. Dense, upright habit.

***Pinus flexilis* 'Vanderwolf's Pyramid'**

10 gal

4/5'

Zone 2-7 86.00 81.00

Unique pine with long, twisted, silvery blue-green needles. Very upright, columnar habit.

Pinus mugo* var. *Tyrolean

1 gal

3 gal

Zone 2-7 5.25 15.95

Low growing, 3' to 4' tall and wide. Holds its rich, dark deep green color all year round.

***Pinus parviflora* 'Ara kawa'**

10 gal

Zone 4-9 73.00

Dwarf selection with nice blue, green, and white foliage. Slow growing to 5'. Sets cones at very early age.

***Pinus parviflora* 'Glauca'**

10 gal

Zone 4-9 73.00

Graceful evergreen tree with bluish-green needles. Pyramidal habit. Produces numerous cones, even at a young age.

***Pinus strobus* 'Blue Shag'**

3 gal

Zone 3-9 34.85

Nice dwarf habit and great blue foliage. Plant grows wider than tall into a tight mound.

***Pinus strobus* 'Blue Shag' on Std.**

5 gal

10 gal

Zone 3-9 49.00 89.00

Popular dwarf form of white pine grown atop a 3' standard. Perfect for formal landscapes and containers.

***Pinus parviflora* 'Ara Kawa' 10 gal**

<i>Pinus strobus</i> 'Fastigiata'	4/5'			
Zone 3-9	81.00			
Small to medium sized, rapid-growing, cultivar with a narrow, upright, columnar habit.				
<i>Pinus strobus</i> 'Pendula'	10 gal	5/6'		
Zone 3-9	79.00	85.00		
Beautiful pendulous habit. Soft blue-green foliage. Makes large specimen with age.				
<i>Pinus x 'Domingo'</i>	10 gal	4/5'		
Zone 4-7	86.00	81.00		
White pine hybrid with bright blue needles and dense, compact habit.				
<i>Prunus laurocerasus</i> 'Schipkaensis'	5 gal	10 gal		
Zone 6-9	29.00	43.00		
Cold-hardy and shade-tolerant cherry Laurel.				
<i>Taxus baccata</i> 'Fastigiata'	3 gal			
Zone 5-8	17.25			
Classic columnar form of English Yew. Dark green foliage grows rigidly upright.		<i>Pinus x 'Domingo'</i>		
<i>Taxus x media</i> 'Hicksii'	3 gal	30/36"	36/42"	
Zone 4-8	17.25	39.00	43.00	
Evergreen shrub great for tall hedges. Columnar habit with dark green lustrous needles.				
<i>Thuja occidentalis</i> 'DeGroot's Spire'	5 gal	4/5'	5/6'	
Zone 4-8	44.00	47.00	57.00	
A slow growing arborvitae with a slender upright habit. Great for a narrow hedge or accent planting.				
<i>Thuja occidentalis</i> 'Emerald Green'	4/5'	5/6'	6/7'	
Zone 4-8	37.00	47.00	57.00	
Slow growing with compact emerald-green foliage. One of the best arborvitae for screens, great winter color.				
<i>Thuja occidentalis</i> 'Green Giant'	5 gal	10 gal		
Zone 5-8	34.00	57.00		
Fast-growing, disease resistant hybrid. Great for quick screens or as a substitute for Leyland cypress.				
	<i>Thuja occidentalis</i> 'Golden Tuffet'	5 gal		
	Zone 4-8	18.75		
	Golden orange, pillow-shaped tuffet grows wider than tall, reminiscent of a mushroom cap.			
	<i>Thuja occidentalis</i> 'Hetz Midget'	3 gal		
	Zone 4-8	15.95		
Popular dwarf selection of Eastern Arborvitae. Grows only 4" per year. Makes a rich grass green ball of evergreen foliage.				
	<i>Thuja plicata</i> 'Whipcord' Std.	5 gal		
	Zone 5-7	49.00		
	A dense, multi-stemmed shrub with finely textured, arching branches. Green foliage that turns bronze in winter.			
<i>Vinca minor</i> 'Bowles'	1 gal			
Zone 4-9	4.95			
A great groundcover for shady areas. Large violet-blue flowers stand out well from the smaller glossy green leaves.				
<i>Yucca filamentosa</i> 'Golden Sword'	1 gal			
Zone 4-9	6.95			
Stiff dark green leaves with contrasting yellow stripes down the center. Bears creamy-white flowers on long stems.

Terms & Conditions

TERMS OF SALE

For established accounts, terms are net 30 days from the date of shipment. Overdue accounts are subject to a service charge on the unpaid balance at the rate of 1.5% monthly (an 18% annual percentage rate). If you do not have an established, open account, payment is requested with your order prior to shipment. To establish credit, we request four reliable trade references and the name of your bank.

ACKNOWLEDGEMENT

Upon receipt of your order, we will send you an acknowledgment, and later a confirmation when allocations are completed.

CONDITIONS OF SALE

Countryside and Fairdale Nurseries have earned the reputation of applying the greatest care towards the proper labeling and grading in keeping varieties true to name. Warrants apply to the extent of the purchase price only. Should stock prove untrue to name as labeled, upon satisfactory proof, we will replace stock at no charge or refund the purchase price thereof.

CLAIMS

Please check the condition and count of your nursery stock order as soon as you receive your shipment. No claim for shortages, or damaged material, will be honored unless it is noted in writing on the Bill of Lading upon receipt of the shipment. Notice of shortages, unsatisfactory or damaged material must be received within 10 days of receipt of the shipment accompanied by a signed receipt from the delivering carrier. At no time will we be responsible for more than the purchase price of the stock ordered.

SUBSTITUTIONS

An adjustment of one grade size up or down may need to be made to conform to our crop due to seasonal growing conditions beyond our control. If substitutions are not acceptable, it must be indicated on your order.

DELIVERY INFORMATION

Our automated routing service insures the most direct routing of loads to your locality. By pooling and combining orders in your region, we can offer the quickest and most economical delivery. We work with a select group of transportation brokers to assure a consistent level of service. Our trucks are carefully packed and every effort is made to insure prompt, safe delivery by the trucking company.

FREIGHT

All prices are F.O.B. Countryside Nursery/ Fairdale Nursery, Aurora, Oregon.

CUSTOM TAGGING

We now offer the convenience of custom strip tagging for your order. We can print your company name, prices, and have them on your plants before they arrive! Please send us your pricing/SKU information by January 1st, the price per label is \$0.30. If you print your own labels and send them to us we will tag you at a rate of \$0.10 per tag.
