

Fairdale & Countryside Nursery ~ 2024 - 2025 Price List

<i>Acer palmatum 'Bloodgood'</i>		<u>5 gal</u>	<u>10 gal</u>	<u>15 gal</u>
	Zone 6-9	57.95	107.95	117.95

Beautiful deep red foliage holds color well into late summer. Brilliant scarlet fall coloring.

<i>Acer palmatum 'Emperor One'</i>		<u>5 gal</u>	<u>10 gal</u>	
	Zone 5-8	57.95	107.95	

Purple-red leaves hold their color all summer. The bark is a blackish-red, nice for winter color.

<i>Acer palmatum 'Fireglow'</i>		<u>5 gal</u>	<u>10 gal</u>	
	Zone 5-8	57.95	107.95	

Compact, dense trees reach 9' to 12' tall. Deep red foliage leaves do not fade, even in the highest heat.

<i>Acer palmatum 'Sango Kaku'</i>		<u>5 gal</u>	<u>10 gal</u>	<u>15 gal</u>
	Zone 6-8	57.95	107.95	117.95

Upright grower with bright green foliage. The bright red stems of the plant are very showy in the winter.

<i>Acer palmatum dissectum 'Crimson Queen'</i>		<u>5 gal</u>	<u>10 gal</u>	<u>15 gal</u>
	Zone 5-8	57.95	117.95	137.95

8' to 10' tall, mounding to 8' wide. Holds deep red color throughout entire season. Bright scarlet tones during the fall.

<i>Acer palmatum dissectum 'Orangeola'</i>		<u>5 gal</u>	<u>10 gal</u>	
	Zone 5-8	57.95	117.95	

The new spring foliage is a bright orange-red which turns to a deep green. Attractive full weeping habit.

<i>Acer palmatum dissectum 'Tamukeyama'</i>		<u>5 gal</u>		
	Zone 5-8	57.95		

New foliage is a deep crimson-red turning to a dark purple-red. Strong, weeping habit, looks best in full sun.

<i>Acer palmatum dissectum 'Viridis'</i>		<u>5 gal</u>		
	Zone 5-8	57.95		

Bright green foliage holds its color well throughout the summer months. The fall coloring is a brilliant yellow and orange.

<i>Berberis thunbergii var. atro 'Concorde'</i>		<u>1 gal</u>	<u>3 gal</u>	
	Zone 2-8	7.50	17.50	

Matures to less than 2' tall and 3' wide. Leaves are a crisp, bright red when young and mature to a clean bronzy-red.

<i>Berberis thunbergii var. atro. 'Rose Glow'</i>		<u>1 gal</u>	<u>3 gal</u>	
	Zone 4	7.50	17.50	

The new foliage is a bronzy-red and pinkish-white, deepening to a rose and bronze. Plants will reach 4' to 6' in height.

****We offer our field-grown boxwood in a hybrid containerized package. Plants are dug and placed in a nursery pot with soil media, a starter fertilizer with minors, and a slow-release fertilizer incorporated for immediate ship. Plants are denoted below with a minimum height (or width) and the code "CT." We have found this package is popular with landscapers and garden centers alike!****

<i>Buxus hybrid 'Green Gem'</i>		<u>1 gal</u>		
	Zone 4-9	6.95		

It is a broadleaf evergreen shrub that typically grows in a dense globe to 3-4' tall and wide.

<i>Buxus hybrid 'Green Mountain'</i>		<u>3 gal</u>	<u>18" CT</u>	<u>24" CT</u>
	Zone 4-9	19.50	39.00	43.00

Pyramidal plants can reach 4' to 5' tall and spread 3' wide. Dense green foliage holds its color throughout the winter.

<i>Buxus hybrid 'Green Velvet'</i>		<u>1 gal</u>	<u>15" CT</u>	<u>18" CT</u>	<u>21" CT</u>		
	Zone 4-9	6.95	35.00	39.00	41.00		
Rich dark green foliage makes it ideal for low borders or hedges. Plants only reach 2' to 3' tall and wide.							
<i>Buxus microphylla 'Winter Gem'</i>		<u>3 gal</u>	<u>18" CT</u>	<u>24" CT</u>	<u>30" CT</u>		
	Zone 4-9	19.50	39.00	43.00	47.00		
Deep green glossy foliage on a mounding shrub. Dense habit makes it great for hedges. Plants grow 4' to 6' tall and wide.							
<i>Buxus sempervirens</i>		<u>5 gal</u>	<u>18" CT</u>	<u>24" CT</u>	<u>30" CT</u>		
	Zone 6-9	24.50	39.00	43.00	47.00		
The traditional hedge plant. Can reach heights of 10' to 15' and spread almost as wide. Dense foliage of oval olive green.							
<i>Buxus sempervirens 'Fastigiata'</i>		<u>5 gal</u>	<u>24" CT</u>	<u>30" CT</u>	<u>36" CT</u>		
	Zone 6-8	24.50	43.00	47.00	51.00		
A beautiful upright cultivar. Foliage is rich green. Excellent choice for narrow hedges.							
<i>Cedrus atlantica 'Glauca'</i>		<u>5 gal</u>	<u>5/6'</u>	<u>6/7'</u>	<u>7/8'</u>	<u>8/9'</u>	<u>9/10'</u>
	Zone 6-9	49.00	95.00	105.00	115.00	125.00	135.00
Grows in a stately pyramidal form. Beautiful silvery-blue foliage. Mature plants reach 40' to 50' tall.							
<i>Cedrus atlantica 'Glauca Pendula'</i>		<u>5 gal</u>	<u>5/6'</u>	<u>6/7'</u>			
	Zone 6-9	49.00	115.00	125.00			
Weeping form, featuring pendulous branches with short clustered bluish/green needles.							
<i>Cedrus deodara</i>		<u>6/7'</u>	<u>7/8'</u>				
	Zone 6-9	93.95	103.95				
Pyramidal form, finely textured gray-green evergreen tree. 40-70' tall when mature.							
<i>Cedrus deodara 'Aurea'</i>		<u>6/7'</u>	<u>7/8'</u>				
	Zone 6-9	93.95	103.95				
Beautiful golden form of Deodar Cedar. Feathery soft foliage with golden-green hue.							
<i>Cedrus deodara 'Sander's Blue'</i>		<u>6/7'</u>	<u>7/8'</u>	<u>8/9'</u>			
	Zone 5-7	93.95	103.95	113.95			
Beautiful blue form of Deodar Cedar. Feathery soft foliage with a silver-blue hue.							
<i>Cephalotaxus harringtonia 'Fastigiata'</i>		<u>3 gal</u>					
	Zone 6-9	21.95					
Columnar growing evergreen with dark green needles. Will tolerate sun or shade. Deer resistance.							
<i>Chamaecyparis nootkatensis 'Glauca Pendula'</i>		<u>5 gal</u>	<u>5/6'</u>	<u>6/7'</u>	<u>7/8'</u>		
	Zone 4-7	49.00	85.00	95.00	105.00		
Medium-sized, evergreen conifer forming a strongly weeping, pyramidal tree. Blue-green color							
<i>Chamaecyparis nootkatensis 'Pendula'</i>		<u>5 gal</u>	<u>5/6'</u>	<u>6/7'</u>	<u>7/8'</u>		
	Zone 5-9	49.00	85.00	95.00	105.00		
Medium-sized, evergreen conifer forming a strongly weeping, pyramidal tree. Rich Green color							
<i>Chamaecyparis obtusa 'Aurea'</i>		<u>5 gal</u>	<u>10 gal</u>	<u>4/5'</u>			
	Zone 5-9	49.00	85.00	79.00			
Slow upright growth habit can reach 20' to 25' tall and spread 5' to 6' wide. Bright golden foliage is very sun tolerant.							
<i>Chamaecyparis obtusa 'Gracilis'</i>		<u>5 gal</u>	<u>10 gal</u>	<u>4/5'</u>			
	Zone 5-9	49.00	85.00	79.00			
Our most popular Hinoki Cypress variety. The foliage is a beautiful deep green. Dense, broad pyramidal habit.							
<i>Chamaecyparis obtusa 'Nana Gracilis'</i>		<u>7 gal</u>	<u>10 gal</u>				
	Zone 5-8	59.00	85.00				
A slow growing upright, irregular form. Rich green color and dense habit.							

Chamaecyparis obtusa 'Nana Gracilis' on Std. 5 gal

Zone 5-8 53.00

Dwarf Hinoki Cypress selection grafted onto a tall trunk. Makes a great centerpiece or patio specimen.

Chamaecyparis obtusa 'Nana Lutea' 3 gal

Zone 5-9 33.00

A neat slow growing compact form with two-tone golden-yellow foliage. A beautiful conifer for winter effect. Reaches 4'.

Chamaecyparis pisifera 'Boulevard Pom Pom' 7 gal

Zone 4-8 59.00

Slow growing evergreen shrub, sculptural in nature. Silvery blue-green in color.

Chamaecyparis pisifera 'Mops' 1 gal 3 gal

Zone 5-9 6.75 18.50

A great landscape show piece with whip-like, golden foliage. It retains it's golden color throughout the year.

Cornus florida 'Cherokee Brave' 5 gal

Zone 5-9 63.00

Small deciduous tree with a round canopy and beautiful bright pink flowers.

Cornus florida 'Cloud Nine' 5 gal

Zone 5-9 63.00

Small deciduous tree with a round canopy and beautiful white flowers.

Cornus kousa 'Heart Throb' 5 gal

Zone 5-8 63.00

Clusters of rosy pink flowers and in the fall large, red, raspberry like fruits.

Cornus kousa 'Venus' 10 gal

Zone 4-8 111.00

Huge pure white bracts in April on a disease resistant tree. Mature trees have a rounded habit.

Euonymus fortunei 'Ivory Jade' 2 gal

Zone 4-9 11.00

Beautiful two-tone broadleaf evergreen, green leaves with a white margin.

Euonymus fortunei 'Moonshadow' 2 gal

Zone 4-9 11.00

Beautiful two-tone broadleaf evergreen, deep green leaves with a bright yellow center.

Hydrangea anomala subsp. 'Petiolaris' 3 gal

Zone 4-9 33.00

Climbing hydrangea with white flowers.

Juniperus squamata 'Blue Star' 3 gal

Zone 4-8 16.75

Unique silver-blue foliage, uniform branching. Great for rock gardens and low borders.

Juniperus squamata 'Blue Star' on Std. 5 gal

Zone 4-8 53.00

Popular dwarf blue juniper grafted on 3' trunk for a formal appearance.

Metasequoia glyptostroboides 'Gold Rush' 25 gal

Zone 5-9 105.00

Fast growing, pyramidal conifer with fernlike gold foliage.

Microbiota decussata on Std. 5 gal 10 gal

Zone 3-8 53.00 91.00

Hardy evergreen with deep plum winter color. Deer resistant. Grown on an 18" standard. Part sun to full sun.

<i>Osmanthus heterophyllus 'Gulftide'</i>	<u>7 gal</u>
Zone 6	45.95

A compact, upright form of false holly with superior glossy green foliage and better habit. Medium grower to 10' tall and 5' wide.

<i>Picea abies 'Nidiformis'</i>	<u>1 gal</u>	<u>3 gal</u>	<u>7 gal</u>
Zone 2-8	5.95	15.95	34.95

A very dense growth pattern reaching 3' to 5' tall and spreading 4' to 6' wide. Rich green evergreen foliage.

<i>Picea abies 'Pendula'</i>	<u>5 gal</u>	<u>4/5'</u>	<u>5/6'</u>
Zone 2-8	49.00	89.00	99.00

Unique pendulous growth habit and dark green foliage. Plants must be staked to desired height.

<i>Picea abies 'Pumila Nigra'</i>	<u>3 gal</u>
Zone 2-8	17.95

Dwarf, flattened-globose selection of Norway spruce that with age, becomes broadly spreading.

<i>Picea glauca 'Conica'</i>	<u>1 gal</u>	<u>3 gal</u>	<u>5 gal</u>	<u>7 gal</u>	<u>10 gal</u>
Zone 2-8	7.15	19.75	29.50	37.00	63.00

Popular dwarf, slow growing conifer. Forms a perfect pyramid of dense, deep green foliage. Great for containers.

<i>Picea orientalis 'Gowdy'</i>	<u>10 gal</u>
Zone 4-7	85.00

A densely-branched, narrow-pyramidal evergreen conifer with very dark green needles, held closely against the stem.

<i>Picea pungens 'Baby Blue'</i>	<u>3/4'</u>	<u>4/5'</u>
Zone 3-7	99.00	109.00

A narrow-pyramidal conifer with horizontal branching to the ground. Great silvery-blue color.

<i>Picea pungens 'Fastigiata Glauca'</i>	<u>3/4'</u>
Zone 2-8	99.00

Very narrow, columnar form. Wonderful blue color. Great choice for narrow areas. To 20' tall and 3' wide.

<i>Picea pungens 'Fat Albert'</i>	<u>3/4'</u>	<u>4/5'</u>
Zone 2-8	99.00	109.00

Rich blue needles. Dense branching. Broad pyramidal form, great for a living Christmas tree.

<i>Picea pungens 'Globosa Nana'</i>	<u>5 gal</u>
Zone 2-8	49.00

Dwarf globe spruce with short, dense branching, and a silvery blue color.

<i>Picea pungens 'Globosa Nana' on Std.</i>	<u>5 gal</u>	<u>10 gal</u>
Zone 2-8	53.00	91.00

Dwarf globe spruce grown on a 3' stem for a more formal appearance.

<i>Picea pungens 'Hoopsii'</i>	<u>3/4'</u>	<u>4/5'</u>
Zone 2-8	99.00	109.00

Extremely intense silver-blue color is a customer favorite. Pyramidal grower to 30' tall.

<i>Picea pungens 'Ice Floe'</i>	<u>3/4'</u>
Zone 2-8	79.00

Silver-blue evergreen foliage weeps gracefully downward while maintaining a central leader. Medium growth to 12' tall.

<i>Pieris japonica 'Cavatine'</i>	<u>7 gal</u>
Zone 6-8	45.00

An exquisite dwarf variety reaching just 2 feet tall in ten years. Green buds open to white bell-shaped flowers.

<i>Pieris japonica 'Flaming Silver'</i>	<u>7 gal</u>
Zone 6-8	45.00

New growth is bright neon pink aging to green with white margins. Bushy, upright habit.

<i>Pieris japonica 'Little Heath'</i>	<u>3 gal</u>	<u>7 gal</u>		
Zone 6-8	27.00	45.00		
A dwarf selection with green and white variegated foliage. New growth sports an attractive pink coloring.				
<i>Pieris japonica 'Mountain Fire'</i>	<u>3 gal</u>	<u>7 gal</u>		
Zone 6-8	27.00	45.00		
Fiery red new growth matures to lustrous deep green foliage. Produces an abundance of white flowers. Dense, upright habit.				
<i>Pinus flexilis 'Vanderwolf's Pyramid'</i>	<u>10 gal</u>	<u>4/5'</u>	<u>5/6'</u>	
Zone 2-7	85.00	127.00	137.00	
Unique pine with long, twisted, silvery blue-green needles. Very upright, columnar habit.				
<i>Pinus mugo var. Tyrolean</i>	<u>1 gal</u>	<u>3 gal</u>	<u>7 gal</u>	
Zone 2-7	5.25	15.95	34.95	
Low growing, 3' to 4' tall and wide. Holds its rich, dark deep green color all year round.				
<i>Pinus mugo 'Rostrata'</i>	<u>5 gal</u>			
Zone 4	19.95			
Upright tree form conifer with dark green needles.				
<i>Pinus parviflora 'Ara kawa'</i>	<u>10 gal</u>			
Zone 4-9	75.00			
Dwarf selection with nice blue, green, and white foliage. Slow growing to 5'. Sets cones at very early age.				
<i>Pinus parviflora 'Glauca'</i>	<u>10 gal</u>			
Zone 4-9	75.00			
Graceful evergreen tree with bluish-green needles. Pyramidal habit. Produces numerous cones, even at a young age.				
<i>Pinus strobus 'Blue Shag' on Std.</i>	<u>5 gal</u>			
Zone 3-9	53.00			
Popular dwarf form of white pine grown atop a 3' standard. Perfect for formal landscapes and containers.				
<i>Pinus strobus 'Fastigiata'</i>	<u>10 gal</u>			
Zone 3-9	85.00			
Small to medium sized, rapid-growing, cultivar with a narrow, upright, columnar habit.				
<i>Pinus strobus 'Pendula'</i>	<u>5/6'</u>			
Zone 3-9	89.00			
Beautiful pendulous habit. Soft blue-green foliage. Makes large specimen with age.				
<i>Pinus x 'Domingo'</i>	<u>10 gal</u>			
Zone 4-7	85.00			
White pine hybrid with bright blue needles and dense, compact habit.				
<i>Prunus laurocerasus 'Schipkaensis'</i>	<u>5 gal</u>	<u>10 gal</u>		
Zone 6-9	34.95	49.95		
Cold-hardy and shade-tolerant cherry Laurel.				
<i>Taxus baccata 'Fastigiata'</i>	<u>3 gal</u>			
Zone 5-8	19.00			
Classic columnar form of English Yew. Dark green foliage grows rigidly upright.				
<i>Taxus x media 'Densiformis'</i>	<u>5 gal</u>			
Zone 4-7	23.00			
Spreading cultivar, grows in a mound 3 to 4' with beautiful green foliage.				
<i>Taxus x media 'Hicksii'</i>	<u>3 gal</u>	<u>36/42"</u>	<u>3/4'</u>	
Zone 4-8	19.00	53.00	59.00	
Evergreen shrub great for tall hedges. Columnar habit with dark green lustrous needles.				

<i>Thuja occidentalis 'Emerald Green'</i>	<u>4/5'</u>	<u>5/6'</u>	<u>6/7'</u>
Zone 4-8	35.00	45.00	55.00

Slow growing with compact emerald-green foliage. One of the best arborvitae for screens, great winter color.

<i>Thuja occidentalis 'Green Giant'</i>	<u>5 gal</u>	<u>10 gal</u>
Zone 5-8	34.00	57.00

Fast-growing, disease resistant hybrid. Great for quick screens or as a substitute for Leyland cypress.

<i>Thuja occidentalis 'Golden Tuffet'</i>	<u>7 gal</u>
Zone 4-8	27.00

Golden orange, pillow-shaped tuffet grows wider than tall, reminiscent of a mushroom cap.

<i>Thuja occidentalis 'Hetz Midget'</i>	<u>3 gal</u>	<u>7 gal</u>
Zone 4-8	15.50	\$27.00

Popular dwarf selection of Eastern Arborvitae. Grows only 4" per year. Makes a rich grass green ball of evergreen foliage.

<i>Thuja plicata 'Whipcord' Std.</i>	<u>5 gal</u>	<u>10 gal</u>
Zone 5-7	49.00	91.00

A dense, multi-stemmed shrub with finely textured, arching branches. Green foliage that turns bronze in winter.

<i>Vinca minor 'Bowles'</i>	<u>1 gal</u>
Zone 4-9	4.95

A great groundcover for shady areas. Large violet-blue flowers stand out well from the smaller glossy green leaves.
