- The Media Services Coordinator is also responsible for audio/video technical and creative development, production, and training related to live and post-production media needs for Sunday morning worship services and occasional special events.
- Communicate clearly with staff each week for in-house presentation support and announcements, PowerPoint slides or media for use in a live program, slides for hymn lyrics to display for outgoing stream; create and plan slides for outgoing stream for various parts of the service (i.e. – Children's Moment, Communion, and other sensitive portions of the service)
- Understand and facilitate equipment setup and configurations such as microphones, speakers, video screening, projectors, audio/video monitors, recording equipment, soundboard, mixing board, wires, cables, etc.
- Manage and execute with technical efforts relative to live audio, recorded audio, web audio, video recording, and live stream of video production for the church facility.
- Effectively troubleshoot and resolve any A/V related issues during services.
- Attend practice sessions, worship services, and special events that require the use of A/V equipment.
- Attendance at scheduled meetings as requested.
- Responsible as team leader and coach for A/V ministry volunteer team members.
- Coordinate, schedule, and train A/V support volunteers for designated worship services and functions.

Accountability

- Must be a team player by working in concert with ALL ministry staff and leaders of the church.
- Will be supervised in day-to-day operations by the Director of Music Ministries.
- Will be accountable to the SPRC and shall receive evaluations (including salary recommendation) by this body.

Employment Policies

- Will be subject to criminal background checks as required by the church's Safe Sanctuary policy.
