If you wish to join one of the existing classes please contact Pelita on the school email and we will try to accommodate where we can.

Beginners Tap is designed for older children who would like to try tap for the first time but feel they are too old to join a younger age group's grade class. Miss Amanda will ensure you reach a standard where you can join the grade class appropriate for your age. Its ideal for those who are late starting tap or feel that some tap skills would enhance their audition application.

Miss Amanda is also happy to do private musical theatre or tap lessons. These are £40 an hour or £20 for half an hour. If you would like to have a private lesson please contact Miss Amanda at rixieoptart@icloud.com.
