“Nothing about us without us”

PURPOSE

To provide a brief overview of the RCN and our services.

RCN OVERVIEW

Founded in 2014, the Recovery Community Network (RCN) is a nonprofit, grassroots Recovery Community Organization dedicated to mobilizing resources within and outside of the recovery community to increase the prevalence and access to recovery from substance use disorders. We look to collaborate with members, partners and allies of the recovery community to broaden recovery resources in Central MN through peer-to-peer support services, public education, and advocacy. We are located in St. Cloud and we offer free recovery navigation services. Additionally, we offer services to our veteran community. For more information about the RCN you can find us on Facebook or you may contact us at: 320-428-1887 or email us at: recoverycommunitynetwork@gmail.com
