Come to meetings, listen with an open mind, ask questions, get phone numbers and use them.

*“Stay clean just for today.”*

May we also remind you that this is an *anonymous* program and your anonymity will be held in the strictest of confidence?

“We are not interested in what or how much you used or who your connections were, what you have done in the past, how much or how little you have, but only in what you want to do about your problem and how we can help.”
