

Martin-Barnes Executive Offices

Description

The Martin-Barnes House provides an inviting area for clients or colleagues all while managing to be a sizable office space. With six offices and two floors, there is plenty of space for your workforce and still have room to expand. You'll discover that this exceptionally restored Antebellum home allows for ample opportunity to entertain customers with the spacious floor plan and expansive back porch. The Martin-Barnes House is also within just a few blocks of several restaurants, as well as Dexter Avenue and the State Capitol.
