

The Reimagine Boulder Highway project will help the City of Henderson to meet critical conservation needs and regulations, including Assembly Bill 356, which prohibits the use of Colorado River water to irrigate useless, non-functional turf and landscaping.

WATER CONSERVATION

505,395

Square feet of useless grass being removed or converted to desert landscape to meet AB356

46,504,914

Gallons of water will be saved annually!
