

**Dear St. Luke the Evangelist Parishioners,**

Due to the generosity of an anonymous donor, the book  
**33 DAYS to EUCHARISTIC GLORY is NOW FREE !!!**

Most people who have read it say this best-selling book is the best they ever read on the Holy Eucharist, **THE SOURCE AND SUMMIT OF OUR CATHOLIC FAITH!** .

It is written by the famous **Matthew Kelly** of **Dynamic Catholic** whose books you probably have seen on our bookshelf.

One book costs \$25 but you can now have it for free in St. Luke's Vestibule. Donations accepted if you wish. More info on the book is at <https://www.theeucharist.org/>.

Over 50,000,000 Catholics in the U.S. have stopped practicing their faith over the last 30 years. But less than 30% of those who still practice their faith believe that Jesus is truly present in the Eucharist.

A true renewal of our faith can not occur without a **True Eucharist Presence Renewal**. This book is empowering countless Catholics to consecrate themselves to Jesus in the Eucharist. And it is thus changing lives.

Reading just about 3 pages a day for 33 days will show you how powerful it can be for you, our Church, and the world, including your friends and families, especially at these trying times. **Lent is the perfect time to start reading it!**

God Bless you & your family!! - with His Mercy and in His Will !!
