INSTRUCTIONS

Our 2023 Alphabetical "scavenger hunt" for you and your Harley modeled after Harley-Davidson's old ABCs of Touring game. It is a simple game designed to get you on the road. Send in a photo of your bike, the games poster, with the destination in the background from A-Z! Take a photo of your bike, the current year's GNWHOG games poster, and the destination in the background, signifying the location (or other landmark for proof of actually being there. Must be a member of the GNWHOG chapter to participate)
