

# 2021 Great Northwest HOG Chapter 3169 2021 **MONTHLY CHALLENGE**

Your Monthly Challenge if you choose to accept it . . . This flyer may self destruct after you read it!

## HINT:

In order to win the April Challenge, Lock in a photo of the world's largest egg. To capture this egg you will need to ride for approximately 120 miles. The egg is found in a town that holds an egg day festival on the third weekend of June. A form of this egg has been there since 1923 email it to GP@gnwhog.com. For extra credit post your photo on the GNW FB page!
