

Vote for Bala Chintaginjala (Democrat) for MN Senate District 47 on Aug 11, 2020

Hello my fellow Senate district 47 Residents,

My name is **Bala Chintaginjala** and I am running for Minnesota Senate from District 47 as a **Democrat**, this year.

I want to develop a 50-Year Local Economic Development Plan for our District and below are my goals to accomplish this mission.

1. Rebuild Infrastructure
2. Industrial Development
3. Energy
4. Research & Development
5. Healthcare
6. Education
7. Agriculture Sector
8. Immigration
9. Online Voting
10. Civic Engagement

1. **Rebuild Infrastructure:** I think we need to have a long-term vision and stay focused on building infrastructure. Strong infrastructure will be the backbone of our growing economy. As we all know that every year online sales are increasing by 25% and the goods need to come from Warehouses, not from local stores and if that is the case, to meet the future demand, we need to have very strong high performance and low maintenance highways (Roads and Bridges), Railways, Water ways and Airways. I want to talk about the following Infrastructure types, as listed below.

1.1. Digital Infrastructure: We will expand Internet Broadband, Network infrastructure, Mobile Telecommunications and Cloud Computing.

1.2. Transportation infrastructure: we need more Bridges and roads transport to connect to neighboring towns and cities.

1.3. Power and energy infrastructure: For Industrial Development and to grow our economy Electrical power is very crucial; so, we will build more of Wind turbines and solar panels as they are more ecofriendly and are part of clean energy.

1.4. Water infrastructure: We will build adequate Water supply, water resource management, flood management, proper sewage and drainage system infrastructure.

- 1.5. Health infrastructure: We will explore more on Health Information Technology (HIT) in our District.
- 1.6. Educational infrastructure: to meet future demand, we will build enough Public schools.
- 1.7. Recreational infrastructure: Public parks and gardens, Lakes and natural reserves

Here are my Campaign details:

I am not accepting contributions either from individuals or from Corporations.

If you want to help my campaign, please, forward this flyer to your friends and families. Also, if you have Facebook, Instagram or twitter account, please, post this flyer.

I request for your vote during the Primary election on August, 11 2020 and also, for your support beyond the elections, during this journey.

If any questions or comments please **email** me: balakrishna_chintaginjala@yahoo.com and will be very much appreciated.

Thank you very much

Bala Chintaginjala

My details:

I completed my Bachelors' degree in Civil Engineering, in 1986 and worked for next 10 years in Residential and Industrial construction projects, as a construction engineer and after that I moved my career to Information Technology. Since then, I have been working in IT, for the last 20 years.
