

FPMS PTA 2025-2026

CORPORATE ANNUAL FUND

Dear Four Points Community Partner,

We are extremely grateful for the financial support we receive from our community and thank you in advance for your support! Four Points Middle School is conducting our Corporate Annual Fund along with our Annual Family Fund campaign with a goal of raising \$15,000. We strongly believe that building a community among families, the staff & faculty of FPMS and our community partners is the best way to create a successful school environment for our youth.

100% of your donation goes directly towards programs such as our Falcon Grants which improve our students' academic learning environment and enrich our students' socio-emotional development, Staff Appreciation to show our gratitude for our staff & faculty, and supplement expenses for students in need of assistance. Our student population this year is a little over 700 students. For your donation as little as \$250, we promise to promote and appreciate your business or program throughout the year. We look forward to working together creating a school where 'the best is yet to come'!
