

Make sure your absentee ballot gets counted!

The data is in: first-time absentee voters' ballots are rejected at a higher rate than experienced absentee voters.

We want our UU votes to count!

The **UU Ann Arbor Church** invites you to an online voting clinic to help voters who may be voting absentee for the first time in the General Election.

The **ZOOM Voting Clinic** will provide hands-on help with getting and using an absentee ballot! Come if you are a first-time absentee voter or encourage a family member to come if they are "absentee curious." We'll give pointers on how to make sure your ballot is not rejected.

Dates **Sunday , September 13, 5:30 pm**

Monday, September 14, 7:00 pm

Thursday, September 17, 7:00 pm

[Use this link to RSVP.](#)

Materials will be emailed to you in advance; content will be adjusted based on your answers to the questions on the registration form.
