

# Know Your Candidates

---

There are many ways to know more about your candidates—their positions on the issues, their past performance, their credentials, and who they are as people.

## Who Are They?

---

[Vote 411](#) is a wonderful tool that lets you find out who ALL your representatives are in one place.

Vote411 is a project of the League of Women Voters (LWV), which has several local chapters in SE Michigan. Each chapter posts videos of forums where your candidates discuss their positions on various issues.

## Candidate Forums

---

There are many videos of candidates at forums and various other events, where you can get to know them better. Search the internet for your candidate, AND check out your local League of Women Voters, which posts videos of candidates answering specific questions (some offer you the opportunity to put in a question to ask the candidates).
